Kellaeg / Time: 08:00

Teema / Subject: Žürii otsus nr 1 / Stewards decision nr 1

Dokument nr / Document nr: 2.1

Kellele: Registreerija / Competitor: Vändra TSK, auto/car Touringcar, Nr 89
Võistleja / Driver: Jüri AZAROV

Žürii, tuginedes tehnilise komisjoni ettekandele, et võistlusauto jahutusradiaator on viitud salongi tagaossa, kuid puudus vahesein eraldamaks sõitjat kuumast vedelikust avarii korral. Seega ei vastanud asukoht ei vasta RALLIKROSSIAUTODE TEHNILISED TINGIMUSED 2023 punkt 2.9.1 ette nähtud nõuetele.

Tehniline komisjon tegi sõitjale kohustuseks kõrvaldada puudus enne treeningsõitude algust.

*The jury, based on the report of the technical committee,
Stewards, having received the report from the Chief Scrutineer,
that the race car's cooling radiator has been moved to the rear of the cabin, but there was no
partition to separate the driver from the hot liquid in the event of an accident. Therefore, the location
did not meet the requirements stipulated in point 2.9.1 of RALLY CROSS CARS TECHNICAL CONDITIONS
2023.*

The technical committee obliged the driver to eliminate the deficiency before the start of practice.

Arvestades kõiki asjaolusid ning võttes arvesse tehnilise komisjoni juhi arvamuse ja kontrollides 05.08.2023 võistluspäeval enne treeninsõitude algust võistlusauto olukorda ja leidis, et puudus on kõrvaldatud, žürii

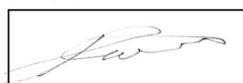

*Taking into account all the circumstances and taking into account the opinion of the head of the
technical commission and checking the condition of the race car on the day of the competition on
05.08.2023 before the start of the practice sessions, and found that the deficiency has been
eliminated, considering the details above, Stewards*
