

**DECISION No 1****From:** the Stewards**Date:** April 2, 2023**To:** Car No. 2**Time:** 17:55**Competitor:** EuroOil Team, Crew : Pech Václav - Uhel Petr

The Stewards, having received a report from the Clerk of the Course (Document No. 3.11), having video, Summoned and heard the Competitor representative, the driver and the codriver, have considered the following matter, determine the following:

**Session:** SS 15**Fact:** Car #2 missed the exit of the loop part of SS 15 and turned around on the track (Road Book II-46 sign 28)**Offence:** Alleged breach of Article 19.2 and 34.1.4 of the FIA Regional Rally Sporting Regulations 2023**Decision:** No further action**Reason:** The judges of fact reported to the Clerk of the Course that Car #2 missed the exit of the loop part of SS 15 (Road Book II-46 sign 28) turned around on the road, and re-joined the SS loop exit.

The Stewards have heard the Representative of the Competitor and the crew. During the hearing, the driver explained that the codriver warned him that the exit of the loop part was coming for them. He realised the exit late, so he missed the breaking point, and they went over the junction. He drove the car off the road, turned around beside the road to check if any other car was coming. When they realised no other was coming, they re-joined the road for a short distance and returned to the junction, where they had left the loop part of the stage.

To the question of the Stewards, they have stated they took this action as safely as they could.

The Stewards investigated the video evidence, which confirmed the statements of the crew of Car #2. Car #2 overshoots the junction by approximately 10 meters, and after they turned around, they drove their car in the opposite direction for a few meters and 2-3 seconds only. The video also confirmed that the crew of Car #2 did this activity in the safest way they could.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
