CLARIFICATION AND REMINDER

Competitors are reminded that the organiser has designated **Tyre Warming Zones** before the start of each stage. These zones must be used exclusively for tyre warming purposes.

Any behaviour outside these zones that violates traffic regulations — including, but not limited to, unnecessary braking, acceleration, or zigzagging on the road(s) to the Time Control (TC) — will be considered a serious violation of the event regulations and may result in a report by the Clerk of the Course to the Stewards.
