

Prescott Rally 2024

Competitor Bulletin # 2

September 17th, 2024

Itinerary Changes

1. Filled in the 0 for the MTC in the first column on Saturday. There is no other effect from this on the stage schedule.
2. Decreased the length of the transit on Friday from First View S 1 to MTC from 42.97 miles to 47.76 miles. This has the effect of reducing the Friday Regional transit distance and total distance of the rally for both Friday and for both days accordingly.
3. Increased the transit time on Friday between Service and Witty Tom S 1 from 58 minutes to 1:03 to account for refueling.
4. Increased the length of the transit on Saturday between all the Perkinsville stages and Service from 11.17 to 11.20 miles. This has the effect of increasing the Saturday Regional transit distance and total distance for Saturday and for both days accordingly.
5. Increased the transit time for each of the transits coming out of service by 5 minutes to account for refueling. **Competitors should note that means some cars will start the last stage on Saturday after Sunset.**
