Stage Notes

Each competitor will be furnished with a set of Stage Notes prepared by Mike and Paula Gibeault.

Service

Service will be held at the Chino Valley Equestrian Park. Similar to last year, it is advisable to bring sufficient lighting for your service area and a generator if needed. Hopefully the wind won't be as bad this year, however we do have access to a water truck. In addition, there is a fully enclosed arena if you want to let your dogs out to play. Also on hand this year on both days, will be Blade's Culinary Creations catering company, "The Carburetor".

Tech Inspection

Tech inspection Thursday will be at the Days Inn Hotel in the rear lot.

Tech inspection Friday will be at the Findlay Subaru Dealership in their drive through service bays.
