

2026 Oregon Trail Rally
Driver's Bulletin #4
14 May 2026

1. Dalles Mountain Down stage start moved:

Due to landowner concerns, the stage start for the Dalles Mountain Down stage has been moved from the barn driveway to the house driveway. The stage has been shortened by approximately 0.28 miles. The transit times and lateness times are unaltered. The new start is located at GPS 45.71104, -120.98963. Updated routebook pages are attached at the end of this document.

2. Route to MTC In on Day 1 revised due to construction:

Due to construction, we are having to revise the transit to Bargeway Pub, MTC In for Day 1. Unfortunately, the longer route for this transit also means we are revising the transit time and updating the schedule. The new schedule and updated transit are attached at the end of this document.

3. Radio operator removed from Starveout stage (SS #12 & #16):

Due to the field being planted this year, there is no room to safely place a radio operator at this point. Due to the radio being positioned so close to the end of the stage we are electing to remove this radio point. The relevant instruction is Staveout, SS#12 & 16, instruction 20, mile 7.05. Mark your routebooks accordingly.

4. Additional crew registration time added:

Additional time has been added to crew registration. Crew registration will also be available at the Klickitat County Fairgrounds (Saturday service area) on Friday, May 15th from 10:30 AM to 12:30 PM.
