Clerk of the Course decision 2

issued: 15:50 Saturday 13 July 2024

I have received a results Query from Car 67, Carl Stuttard & Harry Walshaw following their time for SS 2 Monument 1.

They stopped at the direction of the marshals around post 10 because the previous car through the stage had gone off the stage and had rolled multiple times and were around 100 feet below the level of the stage at that point. While stationary car 68 went past them and did not stop.

They posted a time of 08:22.7 on SS3. Car 68, who started a minute behind car 67 posted a time of 6:51.5

Car 67 continued and on the second running of the stage they posted a time of 6:55.2

It is unfair for a crew who are complying with NCR Chapter 13 Appendix 10 Article 17-30 (R25.4) to lose out for following the correct procedure.

Having considered the times posted by car 67 and others on SS3 and SS7 I will award car 67 a notional time of 07:05.00
