Motorsport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death.

If you do not wish to be exposed to such risks, then you should not attend at or participate in Motorsport Activities.

WARNING: If you participate in these activities your rights to sue the supplier under the **Competition and Consumer Act 2010 (Cth)*** if you are killed or injured because the activities were not supplied with due care and skill or were not reasonably fit for their purpose, are excluded, restricted or modified in the way set out in or on this sign.

In exchange for being able to attend or participate in the Motorsport Activities, **you agree:**

- to **release** the Confederation of Australian Motor Sport Ltd trading as Motorsport Australia (**Motorsport Australia**) and the **Entities**** to the extent that any or all of them are providing recreational services from all liability for:
 - a) your **death**;
 - b) any **physical or mental injury** (including the aggravation, acceleration or recurrence of such an injury);
 - c) the contraction, aggravation or acceleration of a **disease**;
 - d) the coming into existence, the aggravation, acceleration or recurrence of any other **condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs:**
 - i. that is or may be harmful or disadvantageous to you or the community; or
 - ii. that may result in harm or disadvantage to you or the community, howsoever arising from your participation in or attendance at the Motor Sport Activities;
- to indemnify and hold harmless and keep indemnified Motorsport Australia and each of the Entities to the maximum extent permitted by law in respect of any claim by any person;

and

- to attend at or participate in the Motorsport Activities at your own risk.

NOTE: The change to your rights, as set out in or on this sign, does not apply if your death or injury is due to reckless conduct on the supplier's part.

“Motorsport Activities” means any motorsport activities or recreational services which are permitted or approved by Motorsport Australia.

"Reckless Conduct" means conduct where the supplier of the recreational services is aware, or should reasonably have been aware, of a significant risk that the conduct could result in personal injury to another person and engages in the conduct despite the risk and without adequate justification. See section 139A of the Competition and Consumer Act 2010.

INSTRUCTIONS (Please read)

- The Public are directed to view the cars whilst standing within the markers indicating the limits of the controlled public area (**Spectator Area**) - viewing outside those areas indicated is prohibited.
- The green **Designated Crossing Point** MUST be used for crossing to the inside of the road.
- Public must not stand in **Banned Areas** and must at all times stand behind the bunting and barriers which mark the public area.
- The instructions of the Spectator Marshals must be obeyed. The Spectator Marshal has the power to have a stage postponed until the Public View Point is controlled to their satisfaction.
- It is prohibited to ignore the public instructions and find your own way around. Not only is there a danger of meeting up with an oncoming vehicle, but many roads have wash-aways, collapsed bridges, etc. which are potentially hazardous for the driver. The main public route has been surveyed and is safe.

DO'S AND DON'T'S OF SPECTATING (Please read)

- Cars under competition conditions can lose control and leave the defined road at any time. Do not stand in any areas which are not authorised or which are contrary to the advice of the organisers and officials/marshals.
- Be prepared. Weather wise, bring hats, ground cover, sun screen and protection in case of rain or cold weather.
- Food and drink outlets may be provided at the Public View Point (refer to public instructions), but if not, ensure you have some of your own food and drinks available.
- Park your car sensibly so that it will not obstruct emergency vehicles, competitors, service crews or other members of the public. In all cases obey parking instructions given by supervising officials. It is usually best to park your car facing the way out.
- Do not try to emulate drivers. Remember that if you give cause for complaint it will reflect badly on the event and the sport as a whole. Drive carefully both to and from Public Viewing Areas, and be ready to give way if necessary, on narrow stretches of road.
- Please do not take dogs or young children to Public View Points. If you have to, make sure they are completely under your control and please make sure that animals and children do not get in the way of competing cars or mechanics or officials when they are working.
- Do not light fires or smoke in the forests. Do not smoke near a car that is being serviced or refuelled.
- At all times keep clear of controls, including from the timing marker to the control area. If control officials ask you to move, please help them by doing so - remember they have a job to do which can be difficult enough as it is. If you do want to see a control point in action, remember to stand well back from the control area.
- Take your entire litter home with you - it is handy to have a bag or carton in your boot. Cans and paper do not help beautify our forests.
- At service points do not crowd mechanics when they are working. They would not appreciate it.
