Trailerpartsandspares.com are once again delighted to support Enniskillen Motor Club in hosting the 2026 Lakeland Stages Rally, an event Hugh and I look forward to with great anticipation each year. Our partnership with EMC has been both rewarding and enduring, and we are excited to see it continue to grow in the years ahead. This season has also marked a significant milestone for us, as Trailerpartsandspares.com are delighted to be the main sponsors of the Irish Forest Rally Championship, a series that proudly covers the entire island of Ireland. With changing weather patterns and challenging conditions affecting events throughout the year, it has reminded us how unpredictable motorsport can be. All the more reason why we value opportunities like the Lakeland Stages, where the rallying community can come together, enjoy the sport, and look forward to what lies ahead. From our production facility in Dromore, we are proud to supply high-quality trailer and accessory components

to customers across the country, many of whom are directly involved in motorsport. Whether it's trailer suspensions, mudguards, lights, axles, wheels, tyres, springs, hubs, brakes, couplings, hydraulic rams, hitches or lever valves, we are always ready to offer advice and practical solutions – no matter how big or small the issue. We extend our thanks to our loyal customers for their continued support, and we look forward to meeting many of you during the event. Wishing all competitors a safe, competitive, and thoroughly enjoyable day's rallying, and we hope to see plenty of you back at the Service Park for the prizegiving afterwards.

Message from EMC

On behalf of Enniskillen Motor Club Ltd, we are delighted to welcome competitors, officials, sponsors, and spectators to County Fermanagh for the 2026 Lakeland Stages Rally. The event continues to be a standout fixture in the Northern Ireland rallying calendar, attracting talented crews from across the country and beyond.

This year brings renewed excitement as we return to the forests for another competitive and enjoyable day of motorsport. The Lakeland Stages has long been known for its warm atmosphere, strong community support, and the commitment of everyone involved in making it a highlight of the season. Competitors can look forward to tackling some of the finest gravel stages in the region, set against Fermanagh's scenic forests and rolling landscapes. These routes are renowned for their technical demands and their ability to test skill, teamwork, and determination.

We extend our sincere thanks to the Forest Service, Fermanagh and Omagh District Council, and Cuilcagh Lakelands Geopark for access to these superb stages; to our dedicated marshals for their time and commitment; and to our valued sponsors for their continued support. We are proud to welcome Trailer Parts and Spares as our main sponsor for 2026, alongside CCM Autobody Repairs as Service Park Sponsor. We also acknowledge our Stage Sponsors: Skips Services Enniskillen, B.H. Tyres, Scollan Plastering Ltd, SPH Aggregates, Nixon Car Spares, and Skea Tyres. Their support plays a vital role in bringing this event to life.

To our crews, we wish you a safe, competitive, and enjoyable rally. To our spectators, please follow marshal guidance, use designated viewing points, and help us maintain a safe environment for everyone. Once again, welcome to the Lakeland Stages Rally. Enjoy the action, the atmosphere, and the beauty of Fermanagh — and may you leave with great memories of a fantastic day's rallying.

The Lakeland Team
