Stage Diagram amendments

SS1-4 Flying Finish to Stop car

As approved:

Amended:

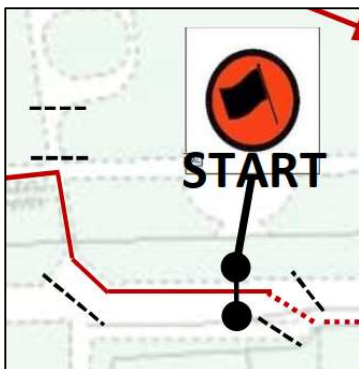

Reason: Stop car location moved from main circuit to pit lane which offers a safer location for Timekeepers.

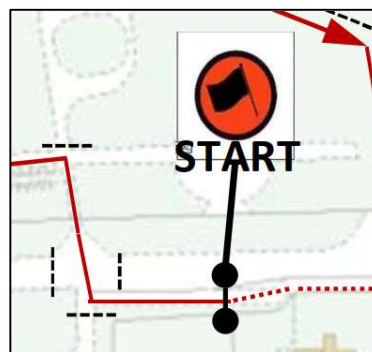

Approved:

SS5-8 Stage Start

As approved:

Amended:

Reason: As for SS 1-4 Flying Finish to Stop car. Start location moved from main circuit to pit lane which offers a safer location for Timekeepers.

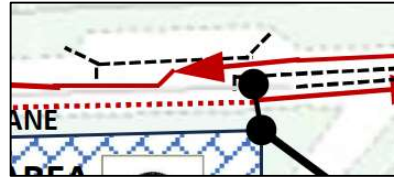

Approved:

SS 3-4 Chicane

Approved:

Amended:

Reason: Chicane has been opened up to avoid sharp changes of direction next to the pit wall because of the pit wall being a vantage point for service crews and spectators, thus reducing risks to spectators.

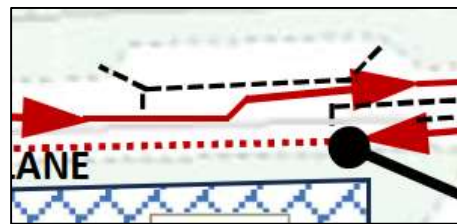

Approved:
