Annulation Messpunkte RT 7 [Annulation timing points RT 7]

Der Fahrtleiter entscheidet, die Messpunkte auf RT 7 nach Kilometer 7,992 zu streichen, da aufgrund der Geschwindigkeitsbegrenzungen in St. Martha der geforderte Schnitt nicht einzuhalten war.

[The clerk of the course decides to delete the timing points on RT 7 after kilometre 7.992, as the imposed average speed could not be maintained due to the speed limits in St. Martha.]
