1. After the Red Flag, **the drivers will be invited to leave the circuit** (using the normal exit) and enter the paddock, where necessary repairs and refuelling can occur. **Except for false start and qualifying practice, drivers will be invited to the grid immediately for the restart.**
2. The maximum time will be given **12 (7 + 5 extra) minutes**, and time counting will start from the **moment when the last car (also the last evacuated car) from that particular start will cross the circuit exit line** (see Appendix 3, picture 6) and till the time published on the Official Messaging System (doubled on Sportity) must be back in the Pre-Grid.
3. The judge of fact nominated in the Supplementary Regulations will control the time when the Drivers cross the Pre-Grid line and will control entering the Pre-Grid (crossing the Pre-Grid line), **which must be done using the driver's car engine power without stopping for the tyre check.** The driver must remain in the Pre-Grid red line until further marshal instructions are given.
4. The **number of mechanics in the Pre-Grid is limited to 2 persons** (the driver is not counted), **and they can do repairs.** **All entered cars will undergo repeated tyre checks** after the tyre changes are prohibited.
5. The restart will be denied for those who have not entered the Pre-Grid by the end of the nominated minute (last-minute counts).

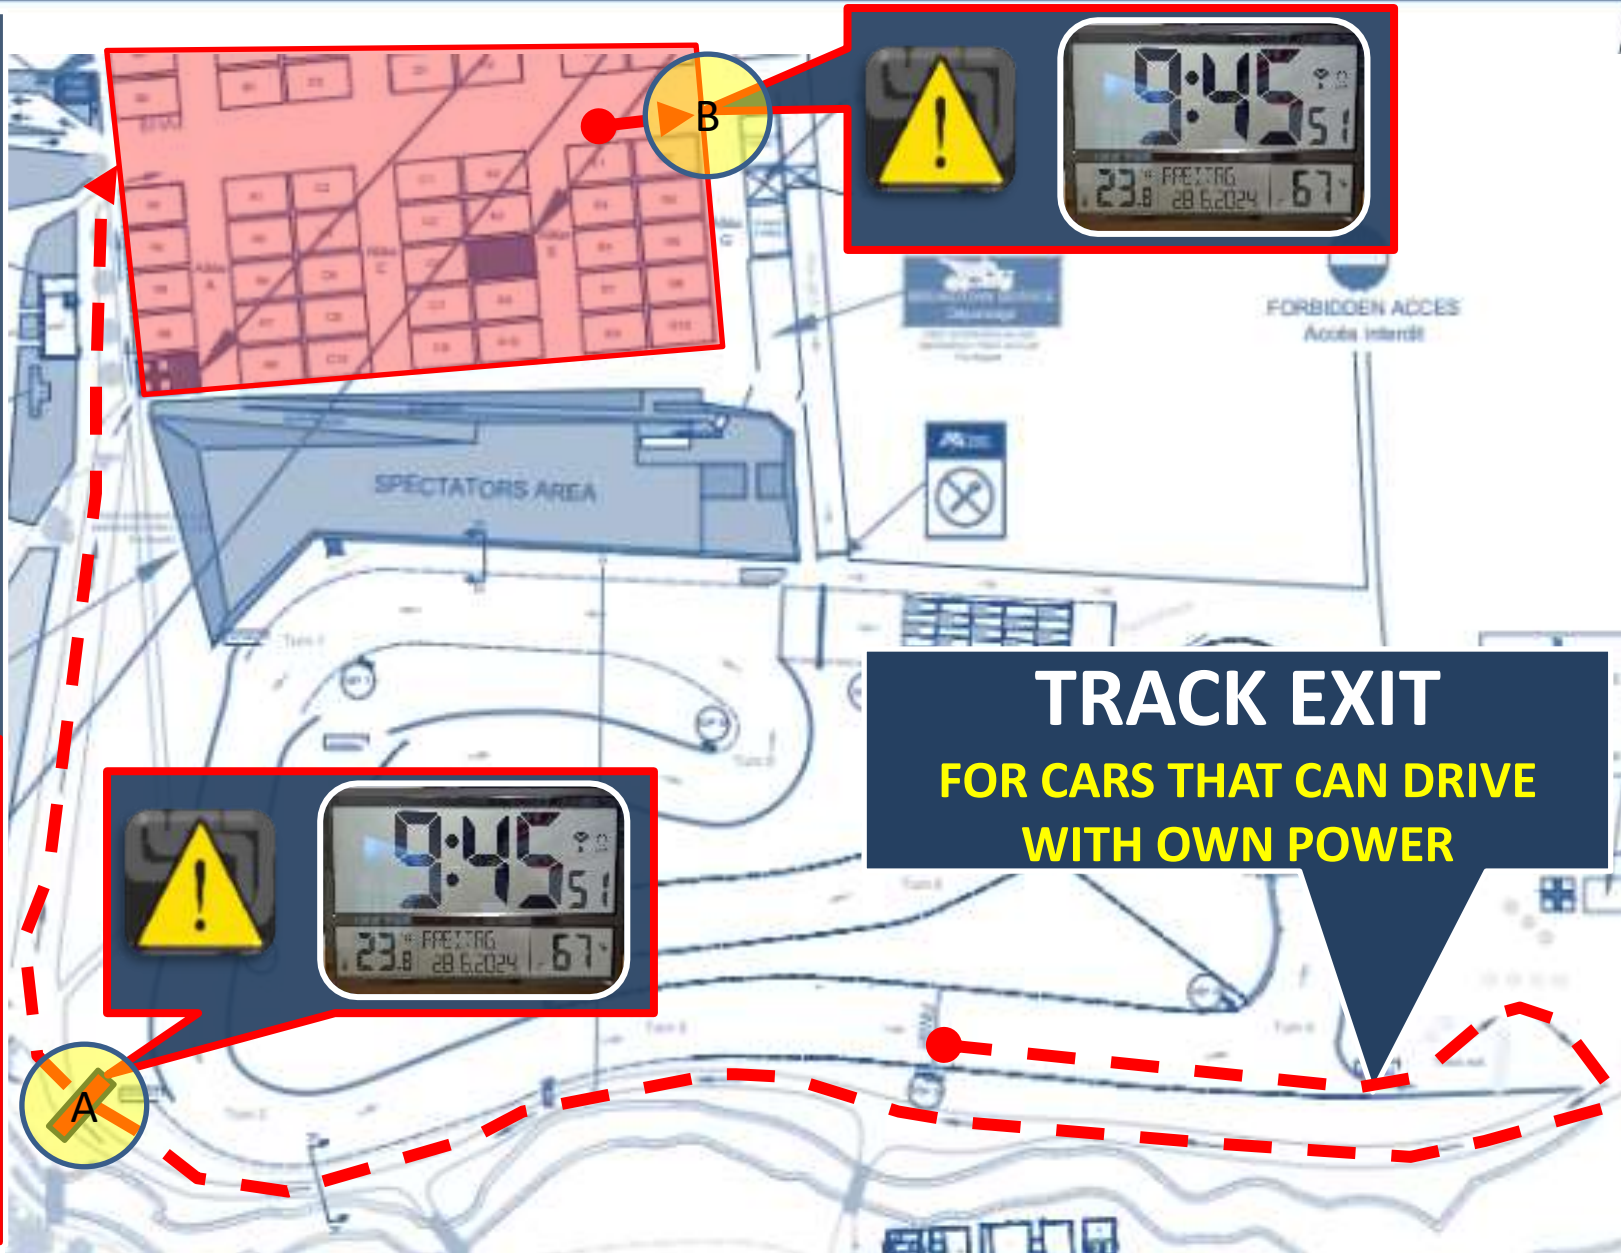

(REMINDER):

1. **The paddock's speed limit is 20 km/h.**
2. **Aggressive driving, speeding, wheel spins and any contact (or incident) with persons in the paddock are strictly prohibited. Any violation will be reported to the Stewards for investigation and penalty application (up to exclusion from the competition).**

If the instructions mentioned above are breached, the Race Director will refuse the restart, according to Art 11.3.2 of SportReg.
