### 3. Akeley Refuel Light Pod Installation Allowed

Concerns have been raised about racing into the dark at Soo Pass Ranch. Adding rally lights to your car at the Akeley refuel is allowed, and time has been added to the refuel time to allow for this after refueling. Once refueling is done pull off the refuel tarps and add lights where it will not interfere with the gas station or other competitors trying to fuel their car.

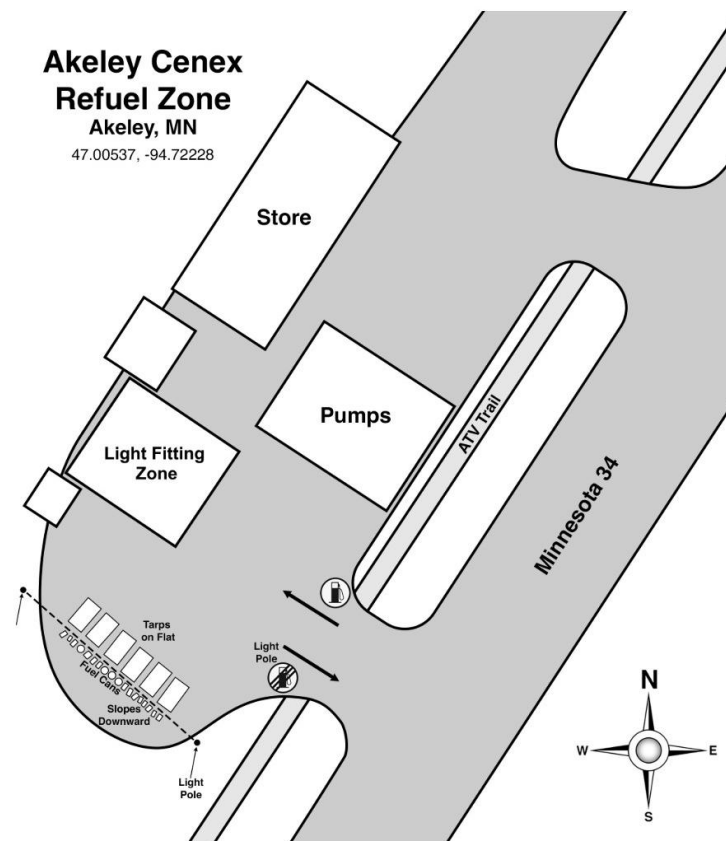

- The ONLY things permitted with service crew is fueling and light fitting at the refuel.
