

Dear Competitor,

With the rally fast approaching, we would like to take this opportunity to remind you of the rules and requirements of the service areas, please note that some additional rules are in place for the Liebherr service area.

It should be noted that competitors are responsible for the actions of their service crews and that any non-compliance with these rules and requirements, by a service crew member or a competitor, will mean **immediate exclusion from the rally**.

Rules & Requirements

1) **Ground Sheets** – In Liebherr ground sheets are compulsory for each crew.

Each crew must have a minimum of 2 overlapping ground sheets in their service area. The minimum size requirement per ground sheet is 5 metres x 3 metres. Ground sheets are not to be swept onto tarmac/concrete.

2) **Oil Absorbent Kits** – In Liebherr each crew will be provided with a personal oil absorbent to be used in the event of an oil spill in the service area. The oil absorbent kit should be kept in an easily accessible spot in your service area in the event of an oil spill.

All oil absorbent kits, used and unused, must be returned as the service crew departs the service area.

3) **Environmental Officer** – All oil spills in the Liebherr service area should be reported immediately to the Environmental Officer, Paul Browne, without delay on 087 268 9318.

4) **Bins** – Separate bins will be in both service areas to safely dispose of oil-stained cardboard, rags and/or paper towels. Refuse bins are provided throughout the service areas and all crews are asked to keep their areas clean and tidy. No empty drums, cans or tyres are to be left behind by crews.

In the event these are found in your service areas, you will be excluded from the final results.

5) **Judge of Fact** – Judges of fact will be monitoring the service areas and any crew not complying with these rules and requirements will be immediately excluded from the event.

6) **Opening of Liebherr service park on Saturday** – Service crews can park in the service area at Liebherr Ireland Ltd, Fossa, Killarney from 16:00 on Saturday the 29th of April 2023.

The premises will have staff monitoring the carpark throughout the day and any crew / service crew found in the car park prior to this time on Saturday will be immediately excluded from the rally.

7) **Parking outside Liebherr service area** – No parking is permitted on the road section outside / opposite of the Liebherr service area prior to the opening time outlined above. Any crew / service crew found parked outside the Liebherr service area on Saturday will be excluded from the rally.

8) **Fire Extinguishers** – All competitors are required to have 2 fire extinguishers visible with displayed signage. The minimum requirement for the extinguishers is: 1 X 6 kg ABC Dry Powder Fire Extinguisher (for each car serviced) 1 X 6 litre AFFFF (Foam) Fire Extinguisher (for each car serviced).

9) **Speed limit** – The speed limit within service areas is 10 km/hr.

10) **Additional Rules and Requirements** – Other rules and requirements surrounding service are available on the event regulations which can be found on the Sportity App.

We would advise that the above information is passed onto your service crew immediately so they can ensure sufficient time to arrange for the requirements to be in order.
