

Attention Competitors:

The Refuel Rig will be located at Scrutiny in Coolcaslagh Industrial Estate on Friday 28th of April.

It is important to make sure that your tanks are full before you go to Parc Ferme Friday evening as the Refuel Rig will be moving to Castletownbere once Scrutiny has finished.

Refuelling for all competitors is only permitted in the designated Refuel Area's.

In the Castletownbere Service Area you must leave all fuel for Saturday at the Refuel Zone. Only unopened fuel for Sunday can be left in your service vehicle. Judges of Fact will be monitoring this.

Fuel containers / barrels and fuel equipment of any sort, open and closed, are not permitted in the Liebherr Service Area on Sunday. You must leave all fuel at the designated Refuel Zone.

Please make sure you mark your containers / barrels etc. before leaving them at the refuel areas.

Judges of Fact will be monitoring this carefully and any evidence of fuel being used within the Service Area in Liebherr will lead to immediate exclusion from the event.

We understand this may not be convenient, however, in order to maintain these Service Area's these rules are unavoidable and we ask that you please respect our marshals and our requirements.
