

Service Crew Instructions

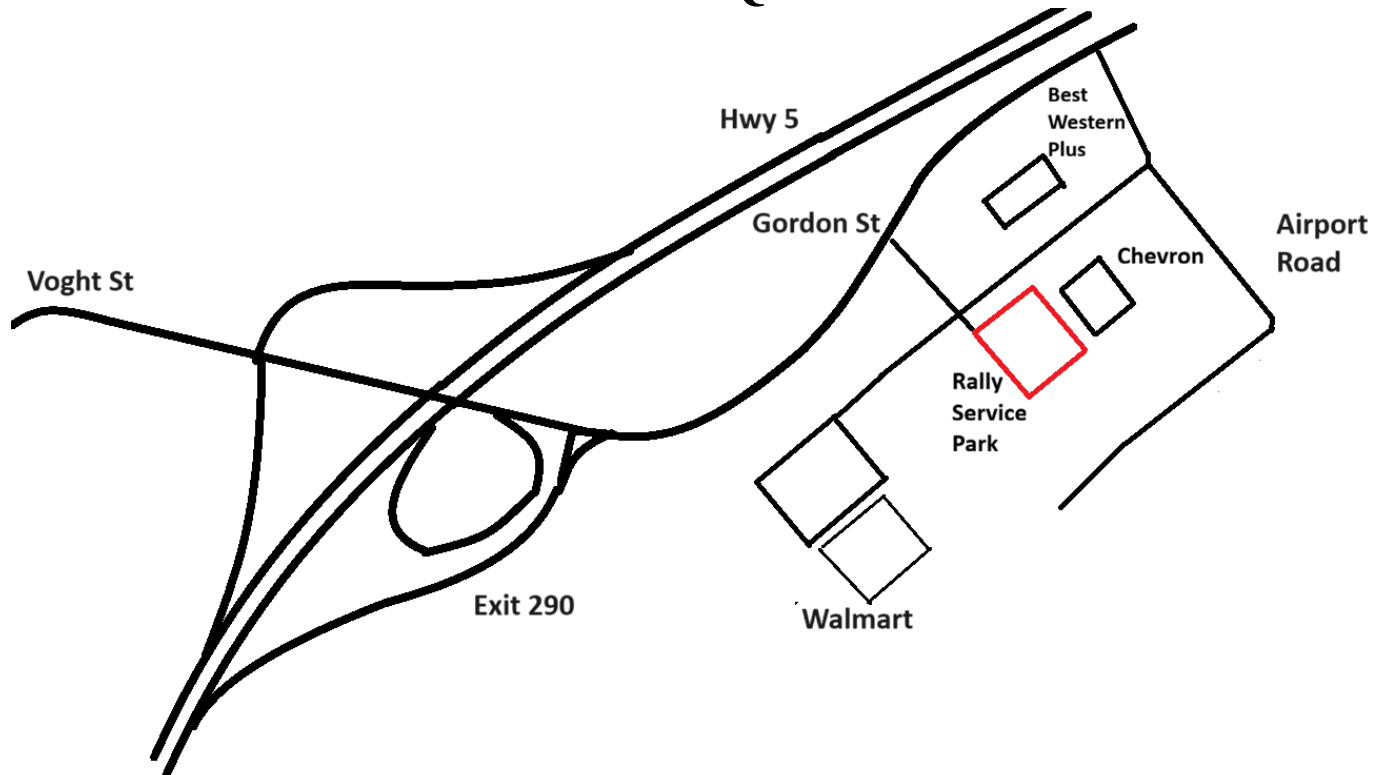

October 17, 2026

Welcome to the Pacific Forest Rally. This package should guide you through your day as a service crew. Please find enclosed a Stage and Transit Summary, which indicates approximately when to expect the first car at each service. Also enclosed are important contact information, a map of the town, a map of the service area, and a map detailing all of the stage roads.

At the end of the rally, the rally cars will be parked in a parc fermé at the Best Western Plus, and then there will be a champagne splash in the arch of the hotel. Please come and cheer the winners, and then head inside for the volunteer party. There will be an announcement of when cars can be moved from parc fermé.
