ADDITIONAL
PROVISIONS

ADDITIONAL PROVISIONS

1 IMPORTANT INFORMATION TO REMEMBER

1.1 Any action considered incorrect, fraudulent, or unsportsmanlike made by the contestant and the driver, will be judged by Marshalls who will impose any Marshals sanction that could result in EXCLUSION from the race.

1.2 At any moment during the Race supplementary scruteneering could be made. During the Event, the contestant is responsible of the technical compliance of the vehicle.

ADDITIONAL PROVISIONS

2 START PROCEDURE

2.1 The start during official qualifying and Race will be in inverse order to the the number given, thus, number 1 will take the start in the last place.

2.2 Drivers must be at the Race director's disposal 1/4 of an hour before the start.

2.3 Vehicles will be organized in line, at least, ten minutes (10') before its starting time in each heat. The marshals in charge of the PARQUE will not call out for drivers to take their place in the start, its not their mission, the driver must be alert to their position to begin the Start procedure

2.4 Start will be given individually and only with the driver on board, with the vehicle stopped and the engine running. Vehicles should be positioned in such a way that the front end is , exactly one meter from the light beam of the sensor

ADDITIONAL PROVISIONS

2.5 The interval for the Start, both in Qualifying and in the Race will be of thirty (30'') seconds

2.6 The Start will be given by a Lights system

2.7 The lights will be Red for 5 seconds, then, Green color will go on for 15'' in order for the driver to take the Start.

2.8 The system will be connected to a sensing device in the start line that will register every time the vehicle crosses the starting line

2.9 From the moment the start procedure start you have fifteen (15') seconds to Start, in case of not doing it, you will be excluded from the heat, and the vehicle will be moved to a safe place

The Race Director in accordance with the Race Officials has the faculty to modify the starting order according to the circumstances

ADDITIONAL PROVISIONS

3 SIGNALING

3.1 Thirty (30) control post are distributed along the route of the stage.

3.2 Both in qualifying and in races, htehaet participants must rigoursly follow the instructions of the signaling marshals. Instructions will be carried out by flags according to annex H

ADDITIONAL PROVISIONS

4. BEHAVIOUR DURING THE EVENT

4.1 GIVE WAY: Every vehicle that has been caught is considered overtaken and must let a free passage by slowing down without causing any delay

4.2 STOPPING IN THE COURSE: In the case a driver should interrupt the heat for mechanical failure or any other circumstances, the driver will immediately park their vehicle out of the course in such a way that no other participant could be at risk and will obey orders given by marshals

4.3 TRAFFIC IN THE OPPOSITE DIRECTION: It is completely forbidden for any participant to transit on the opposite direction of the route, except for express order from the Race Director, even in this case the participant must be preceded by an organization vehicle duly identified

4.4. Any vehicle stopped in the course, either by mechanical failure or accident, will be evacuated with the means available should the Race Director deem appropriate. In this respect, no complaint will be admitted. It is important to remember that , once the inscription is made the team renounces any claim from damage that the vehicle should suffer in the case it has to be evacuated from the event.

ADDITIONAL PROVISIONS

4.4. Any vehicle stopped in the course, either by mechanical failure or accident, will be evacuated with the means available should the Race Director deem appropriate. In this respect, no complaint will be admitted. It is important to remember that, once the inscription is made the team renounces any claim from damage that the vehicle should suffer in the case it has to be evacuated from the event.

4.5 In the possible case of a safety car present in the course it will be warned by a white flag by the marshals. Any participant that finds in front of them, any such cars in rescue services, must remain behind, neutralized, even stopped if necessary

4.6 Under no circumstances, in official qualifying, a new start will be allowed to those drivers stopped in the course under a red flag, and drivers must resume their way to the finish line, from the point they had stopped in order to complete the heat.

4.7 The Race Director, under resolution from by Sport Marshalls, can authorize drivers stopped in the course, during the race heat, either by a red flag or a safety car, after an incident unconnected to them, to restart the heat. In this case, the vehicle that returns for the restart should be preceded by a safety car duly identified.

ADDITIONAL PROVISIONS

4.5 In the possible case of a safety car present in the course it will be warned by a white flag by the marshals. Any participant that finds in front of them, any such cars in rescue services, must remain behind, neutralized , even stopped if necessary

4.6 Under no circumstances, in official qualifying, a new start will be allowed to those drivers stopped in the course under a red flag, and drivers must resume their way to the finish line, from the point they had stopped in order to complete the heat.

4.7 The Race Director, under resolution from by Sport Marshalls, can authorize drivers stopped in the course , during the race heat, either by a red flag or a safety car, after an incident unconnected to them, to restart the heat. In this case, the vehicle that returns for the restart should be preceded by a safety car duly identified.

4.8 Any vehicles stopped in the corse either by a red flag all be under régime of “Closed Park”, from the moment they stop until they restart. Under “closed Park” no repair work is allowed.

4.9 It is specifically forbidden any maneuver consisting of heavy acceleration, heavy braking in the premises of the service park.

5 “CLOSED PARK”

5.1 “Closed park” will be placed at the finish.

5.2 At the end of the event all qualified vehicles will be in “closed park” until the end of the period for claims, once the park is authorized by the Marshals to be re-ope.

5.3 At the end of the heats of the race, the route, between the finish line and where the closed park is placed is under “closed park” regime. Only the driver can access his own vehicle

5.4 During the “closed park” regime it is forbidden to make any repairs, resupply or any kind of handling on the vehicle. The unfulfillment of this rule, will involve a sanction described in Anex 1of the current Regulation.

5.5 In the closed park it is forbidden to enter by any person, except for marshals that have a task to do.

IN CASE OF STOPPING IN THE COURSE ANY INSTRUCTION GIVEN BY THE TRACK MARSHALS WILL BE STRICTLY OBEYED.

ADDITIONAL PROVISIONS

ONE CLOSED PARKS WILL BE ESTABLISHED

**SUNDAY 16:30th At the end of RACE 2*
