The Stewards, having received and accepted a Protest from the competitor of vehicle 48 against the competitor of 32 have considered the matter and determine the following:

Decision: Protest is dismissed and the protest fee is retained.

Note: The competitor of vehicle # 48 lodged a Protest against the competitor of vehicle # 32 asserting that vehicle #32 did not comply with the Regulations as it had a modified engine and turbo. The Stewards heard from the competitors of vehicles #32 and 48 and the Chief Scrutineer. Having considered the matter, the Stewards have determined that the Regulations allow for engine and turbo modifications so long as the vehicle complies with its Performance Factor category. In this instance the Stewards have determined that both engine and turbo modifications are allowed under the regulations. Further, the Stewards received a report from the Chief Scrutineer that vehicle # 32 fully complied with the Performance Vehicle classification.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and within the applicable time limits.
