

2024 Teagle Excavations ARB Pines Enduro

20th – 22nd September 2024
Millicent Sand Buggy Club
Permit: AASA 200924 - 101225

Bulletin 1

Issued 20/9/24 7:30pm

Qualification as a finisher

As per Article 4 of the 2024 ARB Australian Off Road Racing Championship Regulations, drivers must complete a set number of laps (within the nominated “time allowed”) to qualify as a finisher and be eligible to receive outright and class points from the 2024 Teagle Excavations ARB Pines Enduro.

Given the unusually short length of Saturday’s Short Course laps (6km), to qualify as a finisher and be eligible to receive points in the ARB Off-Road Racing Championship drivers must complete at least 5 of the available 6 Long Course laps (68km each), regardless of the number of Short Course laps completed.

When determining the results, finishers will be ranked according to the total cumulative distance of all completed laps across both the Short and Long Courses.
