ORGANISER: ASA ST-URSANNE LES RANGIERS

DATE: 09/08/2025

TIME: 17.00 hrs.

Hello dear fellow pilots,

Important : updates on parking lots and locations

We would like to inform you that this year, space will be even more limited than in previous years. In order to accommodate all 218 pilots without any problems, we ask that you be flexible and pack as tightly as possible.

- 1/3 of the P2 "Pré l'Abbé" parking lot is no longer available due to the construction of two buildings.

- Part of the station SBB side P6 is not accessible this year.

- The space next to the festival hall (P3) is occupied for the renovation of the school.

- A new zone (P5) has been added.

We recommend that you direct accompanying persons to the car parks reserved for spectators and/or the camping areas, in order to ensure optimal organization and easy access to the areas reserved for drivers.

The car park plans and locations for drivers will be published no later than Monday, August 11 on the race website and/or on Sportity. We invite you to consult this information to plan your stay.

Your cooperation is essential to ensure the smooth running of the event.

Thank you for your understanding and cooperation.
