The entry fee may also be paid in cash during administrative checks.

3.5 Administrative Checks

All drivers must attend the administrative checks at the scheduled time and present valid documents for the 2025 season.

3.6 Scrutineering

Each competition vehicle must undergo scrutineering at the scheduled time. Any vehicle not complying with the current FIA safety regulations (Appendix J) for CEZ and MSR competitions will not be allowed to start.

4 INSURANCE

The entry fee includes insurance (insurance contract concluded between SAMŠ and Generali Insurance, no. 2409816689), which covers damages caused to third parties up to €6,450,000.

The organizer is not liable for any losses or damages incurred by competitors.

Each driver is obliged to take out personal accident insurance and must present proof of it during administrative checks upon request.

5 NOISE CONTROL

For all vehicles, the noise limit is set at 100 dB.

6 PRIZES

The prize-giving ceremony will take place immediately after the last final race. Every driver who finishes in the top three of their classification must personally attend the official ceremony in proper racing attire.

No financial rewards will be paid

7 ADDITIONAL INFORMATION

7.1 Free practice

Free practice will be organized for CEZ and MSR vehicles. A maximum of 8 cars of similar groups may participate in one free practice session. Free practice consists of 2 laps, starting from the moment the car crosses the finish line. Each driver may take part in free practice only once.

7.2 Timed practice

Two timed practice sessions will be organized. A maximum of 8 cars of similar groups may participate in one session. Timed practice consists of 4 laps, starting from the moment the car crosses the finish line.

Each driver must participate in at least one timed practice. A driver who has not completed at least one timed lap may only start with the permission of the Stewards

7.3 Qualifying Heats

Three series of qualifying heats will be organized. Each heat consists of 5 laps (RB – 4 laps).

Only drivers who have started at least two heats and completed at least one with the same number of laps as the winner may qualify for the finals.

7.4 Semi-final and Final Heats

Each semi-final consists of 6 laps (RB – 5 laps).

Each final consists of 7 laps (RB – 5 laps).

7.5 Start Procedure

At the start, a board with the word READY will be displayed. Within 5 seconds after the board goes off, the race will start with a green light.

7.6 Parc Fermé

There will be no official Parc Fermé. Competitors must leave their vehicles in the paddock for at least 30 minutes after the publication of provisional results, without any intervention by mechanics.

7.7 Results

The results of each race will be posted immediately after completion. The line-up for the semi-finals and finals will be published before their start.

The final classification will be based on the results of the finals.

All results will be published on the official digital notice board – in the SPORTITY application.

7.8 Protests and Appeals

Any protest must comply with the applicable Sporting Regulations, be submitted in writing to the Chief Steward, and accompanied by the required protest fee.

7.9 Fire Extinguishers

Each driver must have a fire extinguisher with a minimum capacity of 5 kg visibly placed at their service area in the paddock.

7.10 Environmental Protection

Each driver must place a protective sheet or tarp under the vehicle (minimum size 4x5 m) when working on the car, to prevent pollution from oil or other substances.

7.11 Drivers' Liaison Officer

Matej Pliešovský

Contact: +421 944 528 501

The Drivers' Liaison Officer will be present in the race headquarters and paddock, and will be clearly identified by a yellow vest.

7.12 Paddock

Each driver is allowed to use only one paddock box. Only one service vehicle per competition car is allowed into the paddock. Trailers and support vehicles must be parked in areas designated by the organizer (exceptions are possible only if they fit within the allocated box).

Please follow the instructions of the organizer's staff when assigning boxes.

Box reservations are possible only by e-mail: pecnik@rally-sports.sk.

The e-mail must include the number of boxes, box numbers, drivers' names, and transport vehicles (van + trailer, bus, truck, etc.). Reservations will be reviewed, confirmed, or adjusted depending on availability, and then approved.

A reservation is valid only if the driver is officially entered.

Reservation deadline: October 8th, 2025.

Electrical power connections will be available in the paddock.

Night quiet hours in the paddock: from 23:00 to 06:00.
