

Bulletin 1 – Final Instructions

Welcome to the Kielder Carlisle Stages

As you may be aware, this event has been organised to replace events unable to run in Wales due to storm damage. We have done our best to incorporate all the requirements of the Championships, but time restraints have meant that we have been unable to include some elements. We hope that you enjoy this unscheduled trip into the Kielder forests which has been made possible by unparalleled assistance and co-operation from Forestry England and Visit Kielder.

Bulletin 1 - Final Instructions

This Bulletin gives you further information about the event and instructions you need to follow, along with any paperwork amendments.

No area is classed as 'secure' and vehicles, trailers and equipment are left at your own risk. It is your responsibility to ensure the security of any equipment or vehicle left unattended.

Recce – British Rally Championship Only

This will take place on Friday 11th April. Signing on will be at 07.15 at Greenside Car Park. 80/658¾ 872¼ what3words: ///loose.inserting.cherish

The convoy **will leave at 8:00am prompt**, and all BRC competitors wishing to take advantage of this recce must be signed on with a tracker fitted and ready to start by this time. **Late comers will not be allowed to join the recce as tracker fitting and signing on will not be available.**

Trackers will be fitted to all recce cars prior to starting.

Maximum speed allowed within the stages during recce will be 40 mph, crews who through tracking data exceed this limit will be called to the Clerk of the Course for a possible penalty to be applied, subject to circumstances.

Penalties will range from:

- Verbal Warnings
- £100 cash fine for minor offences
- Written warnings and points endorsed on competition licences

It is expected that Recce should be concluded by 14:30 hrs.

A Recce Road Book, Recce vehicle ID Stickers and an Event Road Book will be issued at registration.

All event ID for Recce cars must be removed at the conclusion of the Recce. They will NOT be valid for access to event Service areas on Saturday.

Tracker Fitting

Trackers can be collected from the Geotraq van, which will be located prior to Noise. Please ensure that these are fitted to the vehicle BEFORE attending noise and scrutineering.

Bulletin 1 – Final Instructions

Scrutineering – Noise Check

This will take place from 12:00 to 18:00hrs on Friday 11th April

After noise and scrutineering, competitors will be required to return to the service area following the one-way route on the public road as shown on the plan.

Any competitor who fails to pass the required level at the noise check will also have to return to service via the one-way route. There is insufficient room at the noise check for competitors to attempt repairs/noise reduction measures so they will be asked to return to the service area and re-join any queue to re-attempt the noise test.

Documentation / Insurance

After Scrutineering, Crews are expected to attend documentation within the Hall to confirm their Insurance status and Provide their competition Licences for checking.

Please remember if you are doing the BRC or the BHRC you will need a minimum of a National Licence.

Saturday Scrutineering by Appointment

If you cannot attend on the Friday only six places are available for Saturday Scrutineering which will take place at 06.00 on the concrete apron of the Cattle sheds, please email carlislestages@gmail.com if required.
