PREPARATION FOR THE TECHNICAL SCRUTINEERING

Fire extinguisher

Competitors are reminded that the fire extinguisher (**powder, ABC, min 6kg**) for the service area must be presented on the technical scrutineering with the black square sticker received in the competitor pack. During the rally, the fire extinguisher must be placed in a visible location in the service area. One (1) fire extinguisher per car.

Competition Stickers

Cars need to be presented on scrutineering with all competition stickers.

Safety Tracking System

Safety Tracking System does not have to be installed in the competition cars for the scrutineering as the device must be in use in the reconnaissance car.

The installation of the Safety Tracking System on the rally cars will be checked at:

- TC of Qualifying Stage/Shakedown
- TC0

Sealing

Following items of the cars will be sealed during the scrutineering:

- turbos including popoff and restrictor
- spare turbos
