

1 INTRODUCTION

Name of the event: **1st RALLY 4 PASSION – HUY – NAMUR**
 Date of the event: **26 – 27 APRIL 2024**

The Automobile Club Namur is organizing the first edition of the "**RALLY 4 PASSION Huy-Namur Rallye Festival**" on 26 and 27 April 2024. This event is a motoring demonstration on closed roads of legendary competition vehicles, reserved for a selection of them, without any notion of timing or ranking. It is organized as an annex to the 41st edition of the "RALLYE DE WALLONIE" (event eligible for the "KROON OIL Belgian Rally Championship 2024") and uses the same route for the 2 loops on Saturday 27 April 2024.

On Friday 26 April 202, a prologue dedicated exclusively to the "RALLY 4 PASSION Huy-Namur Rallye Festival" will be held in the early evening in the commune of Huy (Ben-Ahin).

This event is not a speed test, but a demonstration with the sole objective of nostalgia and the notion of pleasure, without taking unnecessary risks or time; the aim is to drive at your own pace on safe demonstration routes. A maximum of two people will be allowed on board.

7 AUTHORISED VEHICLES

Original cars or replicas that have written the history of international rallying and were produced before 31/12/2021 are eligible. A Selection Committee will validate the eligibility of vehicles on the basis of their interest and their historical conformity. It will qualify them with the following statuses:

- **ORIGINAL:** original historic rally cars.
- **REPLICA:** historic rally cars identical to the originals.
- **HISTORIC:** rally cars of particular historical interest but not corresponding to an original model. These cars must be selected by the Selection Committee.

"Rally1", "Rally2", "Rally3", "Rally4", "Rally5" and "R-GT" cars (with some exceptions) are not admitted.

The organizer reserves the right to refuse an entry if the vehicle does not comply with the spirit of the Festival.

Vehicles must be insured and comply with the road traffic regulations. The organizers decline all responsibility in the event of any infringement.

8 LICENCES

As the event is organized under the auspices of the Belgian national motor sport federation, the Royal Automobile Club Belgium (RACB), all crew members must hold a national rally licence.

Note: The RACB offers an annual 'Rally Demo Pass' licence, which does not require any competition experience but only a medical certificate stating that there are no contraindications to driving in sport. This licence is also available in "One Event" form and can be purchased for 70 euros for participation in the "RALLY 4 Passion Huy-Namur Rallye Festival" only.

For further information: https://www.racb.com/obtenir_sa_licence-792.html

The event is also open to foreign licence-holders holding a "National" or "International" licence, on condition that a certificate issued by their parent ASN, authorizing them to take part in the event concerned, is attached to their entry.

A permanent authorization from the ASN appearing on the licence is also acceptable. These foreign participants will then be admitted to the start under cover of their foreign licence only.

Note: Foreign participants who do not hold a licence may also acquire the RACB "One Event" licence for demonstration/Festival events.

9 FUEL

All competitors may only refuel in the refueling zone. Refueling is strictly forbidden in the service zone, on pain of exclusion.

There will be two refueling zones (see Road-book).

For vehicles using commercially available fuel dispensed directly into the competition car's fuel tank, refueling may take place at the service stations indicated in the Road Book:

- SERVICE STATIONS

Address: avenue Prince de Liège / 5100-JAMBES

ESSO (N4)

Address: Rue Sanseau – 1 / 5590-CINEY
