Sheriff Zach Jacobsen

October 30, 2023

To whom it may concern:

As Sheriff of Washington County, I am pleased to welcome the 2023 Show-Me Super Regional Rally conducted by The 100 Acre Wood Pro-Rally Group and the American Rally Association. This year's Rally will be held on November 3rd and 4th, 2023. This event brings both participants and fans from the Midwest region to our County. We want to extend a warm welcome to the participants and fans that are here, while they provide a boost to our local economy.

Additionally, we ask you to cooperate with those participating in, and conducting the event. You may be asked by an official or representative of the Rally to avoid using a particular section of roadway for a specified period of time so that you will not interfere with the event. As Sheriff of Washington County, Missouri, I request that you follow the directions that may be given to you by a Rally official or representative in using, or not using, a section of road at a particular time.

I realize this may cause a slight inconvenience or delay to you. I suggest, however, that you use the time available from a possible delay to learn about the Show-Me Rally from a Rally official or representative at hand. And if you truly have an emergency situation that requires that you not be delayed, inform the Rally official or representative of the reason for your emergency and they will assist you as quickly and safely as possible. Otherwise, we expect that you will cooperate with, and comply with, the Rally officials and representatives while they conduct the Show-Me Rally in Washington County.

Sincerely,

Zack Jacobsen
Washington County Sheriff
