

Links to 2025 Sno*Drift Rally stage videos

These videos were taken in early December, 2024 so the actual stages in February may be different. The videos were taken with a 150 degree wide angle lens so all turns are distorted and are tighter than they appear in the videos. The discussion pertaining to Danger Dots may or may not have resulted in a danger dot being added to the instructions.

Bob Martin

Clerk of the Course
