Clerk of the Course Communication #2 – Correction and Addendum to Clerk of the Course Communication #1

Clerk of the Course Communication #1 said “The route book stage mileages start at the ATC, not at the SS. My mistake and my apologies. RallySafe mileage starts at the SS. JEMBA Notes mileages start at the SS.”

Correction –the mileages in the Competitor Route Book are correct as published.

The instruction numbers in the Organizer Book start at the ATC while the ones in the Competitor Books start at the SS. Unfortunately, the numbers on the Turn Arrows came from the Organizer Book, so they will be one more than corresponding instructions number in the Competitor Route Book.
