DECISION 1

From: the Stewards

Date: 3 February

To: The Event Organizers and Crew of Car 309

Time (decision): 19:00

The Stewards, having been alerted by the series registrar Marni Nagy of an inquiry submitted by the entered codriver of Car 309 — Jordan Buetow — to allow him to replace the registered driver Eric Buetow and to substitute Elana Huizar as the codriver, have considered and determined the following:

Time: The inquiry was received at 12:25 on 3 February 2025

Session: The period after the close of Registration (23:59 on January 30 2025) and prior to the scheduled posting of the provisional day 1 start list (19:00 on 6 February 2024)

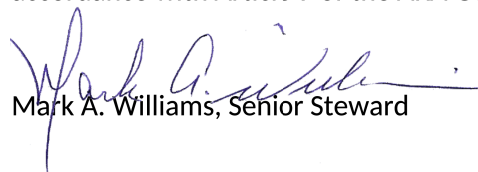

Rules: GCR 4.11.a and 4.15 governing requests for changes after the close of entries
GCR 6.2.3.I empowering Stewards to authorize crew changes
RTR 3.7 governing Restricted Driver vehicle requirements

Decision: The organizers are authorized to (1) replace the originally registered driver of Car 309 with the originally registered codriver Jordan Buetow and (2) replace the originally registered codriver with the nominated codriver Elana Huizar provided she satisfies all of the licensing and other codriver requirements.
Jordan Buetow, who is considered a Restricted Driver, must also comply with the requirements of RTR 3.7.

Reasons:

- GCR 4.11.a allows an entry to be altered in the event of hardship or force majeure. The Stewards do consider the reported injury to the originally registered driver to in fact be a case of hardship and as such authorize the requested substitutions.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 9 of the ARA General Competition Rules.
