### **RSLite for Testing**

A reminder that you will need the following Quad Lock Equipment **to mount your phone to the current RallySafe RAM mount during testing**. Quad Lock has provided a discount code via their website shop.

#### **1-inch Ball Mount**

<https://www.quadlockcase.com.au/collections/shop-motorcycle/products/1-ball-adaptor-motorcycle>

<https://www.quadlockcase.com.au/collections/shop-mounts/products/ball-top-cap-adaptors>

**Quad lock compatible case** for your phone or alternatively a Universal Adapter for existing phone cases

<https://www.quadlockcase.com.au/collections/shop-universal>

25% DISCOUNT @ ONLINE STORE  
CODE: QLxGR25  
VALID: 1<sup>st</sup> SEPTEMBER 2025

*Please note that the ARC is reviewing the use of Rallysafe Lite for other event testing activities and will be reviewing and looking for feedback post Gippsland Rally.*

### **Odometer Check**

#### **Please obey all road laws when completing your Odometer Check.**

Exit Heyfield reserve through the main public entry/exit (not Fawaz Street). Turn right onto Gordon Street, 220m turn right onto Mary Street, then after approximately 900m there will be an "ODO CHECK START" board at the orange 41km Marker Post (left hand side – just after the ASH Retail Centre Entrance). There will be another "ODO CHECK END" board at 5.00km towards Maffra at the orange 46km Marker Post.

Take due care when pulling over or stopping as this is a 100km/h zone and Give Way to any vehicles before making a U-Turn to return to Heyfield.

Andrew Roseman  
Clerk of the Course
