Article 21 Event Specific Regulations

C) There are 2 Restricted Speed Zones (these are sign posted RZ on the stages) in the event, one on the Clarendon Stage and one on the Old Bull Creek Stage (these stages are run twice). These zones have control boards with the letters RZ on them. In these zones you will be required to slow to a speed of 40km/h somewhere within the 200m zone (Virtual Chicane). Once you have slowed to 40km/h within the zone, your RallySafe screen will go green and you can continue to compete on the stage.
