INTRODUCTION AND WELCOME

Fellow Rally "Tragics",

Welcome to the 2025 Accent Benchtops Rally Queensland.

This year's event is once again promoted by the Brisbane Sporting Car Club, with Accent Benchtops returning as naming rights sponsor. Thank you once again Glen, for your generosity and ongoing support. I also want to thank the ongoing support and hard work of Gympie Regional Council (who have returned as a major partner of the event), along with HQPlantations, who both provide us with some very challenging roads on which to compete. Not to mention the many friendly residents along the rally route.

ABRQ was excited and honoured to receive the 2024 *Mainfix* "Event of the Year" and the *Pedders Suspension & Brakes* "Rally Central of the Year" Awards, as voted by competitors for all ARC events nation-wide. The ABRQ Team will be working hard to maintain the standards achieved in 2024 and will be doing their darndest to again be considered for such awards in 2025.

Please be aware that Gympie "has a bit on" at the Showgrounds over the weekend of the rally. There will be four major events happening within the Showground precinct:

1. ABRQ (obviously),
2. a "Heritage Makers Fair" (Sat & Sun - est. attendance 4000+ people),
3. a 150+-car Cooloola Car Club vehicle display/Show-and-Shine (sponsored by Wishlist - Sat only), and
4. an Australian BBQ Alliance BBQ Championship competition (Fri night & Sat)

With this much activity in the one area I'm anticipating a very busy Rally Village and Service Park. Accommodation in the Gympie township and surrounding areas is filling fast so I suggest you don't delay in booking yours.

Testing will be available on Thursday morning, with Recce for all crews on Thursday afternoon, which then continues on Friday. The amazingly popular "Wheels on Mary" street party will again be the Showcase activity on Friday evening.

This year's Accent Benchtops Rally Qld will feature some 192 km of competitive stages. The event again uses HQP forest and Shire roads to the south and west of Gympie. Most of these roads were used in the 2024 event but with some subtle changes – most notably, a return to a forest area not used since the early IROQ days. With this change, crews will have 3 stages (run twice) on Saturday, with Sunday also having 3 stages (run twice), and which includes the ever-popular "Gympie Gold" Power Stage.

Alongside the ARC competition, the 2025 ABRQ event incorporates a round of the KickAss Products Motorsport Australia Queensland Rally Championship, KickAss Products Motorsport Australia Queensland 2WD Rally Championship, KickAss Products Motorsport Australia Queensland Junior Championship, Ackworth Recruitment Motorsport Australia Queensland Clubman Rally Series and WSC Subaru Experts Motorsport Australia Queensland Novice Rally Series. And something totally new to ABRQ for the 2025 event; a Rally Regularity competition, to help and encourage new and aspiring competitors entering our sport.

On behalf of the 2025 Accent Benchtops Rally Qld Team, I look forward to welcoming you and your Team to Gympie in July.

Yours in Rally,

Brian Everitt
Clerk of the Course / Event Manager

A MESSAGE FROM THE GYMPIE REGIONAL COUNCIL

Welcome to Rally Gympie Region 2025 – Our Biggest Year Yet!

It gives me great pleasure to welcome everyone to Rally Gympie Region 2025 – where adrenaline meets community spirit.

Now celebrating its fifth year, Rally Gympie Region has firmly established itself as one of Australia's premier offroad motorsport festivals. Each year this event gets bigger and better, and this year we are proud to bring you our biggest rally yet.

Rally Gympie Region has cemented its place as the premier destination event in our region, attracting visitors and competitors from across Australia who are choosing to spend their hard-earned money here. This influx of visitors has translated into significant economic gains for our local restaurants, cafes, and tourism operators, amplifying its impact on the community.

Since the event's beginnings, Council and event organisers have worked side-by-side to grow Rally Gympie Region into something special. What started as the Queensland round of the Australian Rally Championship has evolved into a three-day festival, featuring a one-of-a-kind street party, exclusive behind-the-scenes access, and a world-class rally event through our stunning forestry. In 2024, this event won the "Mainfix - Event of the Year" and the "Pedders Rally Central of the Year" Awards as voted by competitors – awards we're all very proud of and keen to improve on.

The action kicks off with Wheels on Mary, where Gympie's iconic Mary Street is transformed into a buzzing street party. You'll see more than 60 rally cars on display, alongside food stalls, markets, live music, and entertainment. It's a great night out for the whole family. This event alone draws thousands of residents and visitors each year, with people literally packed into Mary Street like sardines. It's become one of the biggest attractions of the weekend and experiencing it at least once in your life is a must.

For those who want to get even closer to the action, the Rally Village at the Gympie Showgrounds is the place to be. Here you'll find rally teams, their crews, and plenty of automotive displays and trade stalls to check out. This year we're working with organisers to bring in new additions like a nationally recognised BBQ competition and a show and shine for classic car lovers, all designed to draw in more people and offer something for everyone.

Of course, the main event of Rally Gympie Region lies within our stunning forestry, where spectators can immerse themselves in the thrill of live rally action. With numerous spectator points offering prime viewing spots, you won't miss a moment of the adrenaline-fueled Accent Benchtops Rally Queensland.

While you're here for the rally, I encourage you to explore more of what the Gympie Region has to offer — from our beautiful landscapes and tourist spots to our local cafes, pubs and shops.

There's so much to discover.

A huge thank you to the organisers, volunteers, Council staff, sponsors, and partners who have worked so hard to bring this event to life. Your dedication over the past five years has made Rally Gympie Region something our whole community can be proud of.

So, buckle up and get ready for Rally Gympie Region 2025, the undisputed home of rally in Australia!

Mayor, Gympie Regional Council
