## Article 22 Event Specific Regulations

### Rally Show - Friday 25th August

The Rally Show staging area will be open for competitors or service crew member to park rally cars from 1500hrs. Traffic management will be in place from 1330hrs. Access to the staging area is to be via McMillan Street (Raymond Street end). Google link to this junction <https://goo.gl/maps/oFQ1aHzT2ouqGwsQ7>.

For some ARC crews, it is recommended that the vehicle travels directly from Scrutiny in Maffra to the Rally Show.

Vehicles are to be **reversed** parked in the car parking bays as shown below. Please follow the direction of event officials.

A competitor's briefing will be held at 1615hrs in the Wellington Room, Level 1 of the Port of Sale building.

Following the competitor briefing, we request that crews stay nearby their cars and engage with the public and fans. If you have any team posters or flyers please be kind to bring them along to distribute. There will be an autograph area for fans.

There will be a formal Ceremonial Start at 1800hrs including several welcome speeches from dignitaries. Upon conclusion of the ceremonial start, cars will be waved off at 30 second intervals.

Please note that it is not mandatory to return vehicles to Heyfield Service Park, as there is no overnight parc fermé prior to the commencement of the rally on Saturday. **Crews are to present to TC0 as per the time published on the Start Order.**
