SUBJECT; ***Quite Zone SS8 and SS12 Oonah 26 1***

For Sunday 16th August and the corresponding road book page 23 and again on page 53, Box 33 referring to the “Quiet Zone.”

There is no reduced speed limit in this “Quite Zone”. The liaison speed limit of 80 km/h still applies. We simply ask that you avoid unnecessary anti-lag use, minimise engine noise, and be respectful when passing the local resident on this section of road.

As a reminder for all gravel liaison sections, unless otherwise signposted, the maximum speed limit on gravel roads in Tasmania is 80 km/h.

RallySafe will be monitoring and recording the speeds of all vehicles, and any speeding infringements will be referred to the Clerk of the Course.
