Hi Alan,

Thanks for the update.

We have no issues with your event as racing does not occur on City of Launceston roads. You will be aware that some of your travel is on State roads.
We have now received your road closure request for the Friday show in Brisbane Street and we are processing this.

Regards

Nigel Coates

Forest Activity Permit

Subject to signing Schedule 1, this permit grants access to Permanent Timber Production Zone land on the following terms and conditions:

General Conditions

- This permit is valid from **19th March 2023 to 26th March 2023**;
- This permit allows for the **2023 Buckby Skoda Rally Launceston Round 1** at locations specified in Schedule 2 of this permit ('Permit Locations');
- The person/s approved to undertake the activity which is the subject of this permit, are set out at Schedule 1 of this permit ('Permit Holders');
- The Permit Holders acknowledge and agree that their access and use of Permanent Timber Production Zone land is at their own risk, and they indemnify Sustainable Timber Tasmania from any liability for injury or damage arising out of their access and use of Permanent Timber Production Zone land under this permit;
- The Permit Holders must abide by any other direction, policy or guideline given to them by Sustainable Timber Tasmania relating to their access and use of Permanent Timber Production Zone land, including without limitation, those relating safety, fire prevention, and emergency procedures;
- Vehicle use is restricted to formed roads and tracks;
- Sustainable Timber Tasmania may revoke this permit at its discretion at any time upon notice to the Permit Holders;
- This permit does not authorise permission to enter private property;
- The Permit Holders must not approach, interfere or cause a nuisance to any active forest operation or other users of Permanent Timber Production Zone land, or collect within 1km of active operations;
- It is the responsibility of the Permit Holder to be aware of any fire hazards including wildfires and planned burns within the vicinity of the Permit Location(s). Wildfire information can be checked on the Tasmanian Fire Service website (www.fire.tas.gov.au). Information pertaining to planned burns can be checked on the Sustainable Timber Tasmania website (www.sttas.com.au/planned-burns);
- Permit Holders must be aware of eagle activity. Eagles displaying stress, such as being vocal (screeching) or flushing from the nest should be reported to Sustainable Timber Tasmania and all activity within 500 m of the nest ceased immediately;

16 February 2023

Dear Alan,

Thank you for your request to access roads in our managed areas for the 2023 Buckby Skoda Rally Launceston, 23-26 March 2023.

Our operational team has reviewed the revised maps and provide permission for Motorsport Australia to use roads as per the provided maps.

As always, it has been great to work with you and Matt and good luck with the event.

Kind regards,

Gayle Quin
