ARTICLE 21 EVENT SPECIFIC REGULATIONS

Friday 4 July-Sunday 6 July 2025

Gympie Showgrounds Entrance and traffic flow arrangements -

ALL CREWS:

Please familiarize yourself with the specific entry and exit gates in the diagram below:

Explanation:

Due to the popularity of the other events occurring within the Gympie Showgrounds during Rally weekend, it is anticipated that there will be a significant amount of vehicular traffic entering the Showgrounds from Exhibition Rd during Saturday and Sunday.

To ensure we manage traffic flow efficiently in and out of the Gympie Showgrounds, **ALL** vehicles departing from the Telstra Rally Village and Galvaniized Insurance Rally Central (i.e. rally cars, service vehicles, media vehicles, Course Cars, Event Management vehicles) must keep left as they cross the horse training track, stay on the left side of the roadway and then exit onto Exhibition Rd using Gate 1 only (see map above).

On return to the Showgrounds, **ALL** rally-specific traffic (i.e. those vehicles mentioned above) must use Gate 2 only (i.e. the middle gate - see map). Be aware that vehicles entering through this gate may be halted by Traffic Control personnel to prioritize the departure of an opposing rally vehicle. At this point, any vehicles not visibly identifiable as a rally-specific vehicle or displaying a “SERVICE ACCESS” sticker (see sample below) on their windscreens will be redirected to the public traffic flow and into the general parking area. Otherwise, that vehicle may continue to follow the right-hand marked laneway into the Telstra Rally Village and Galvaniized Rally Central.

“SERVICE ACCESS” stickers for priority vehicles only will be available at Competitor, Media and Course Car Briefings.

General public, Team guests, Tour Groups and spectators are to enter the Showgrounds from Exhibition Rd through Gate 3 (refer map above). They will then follow the left side of the entrance roadway, over the horse training track and then be directed into the Public Parking area.

Vehicular access into the Telstra Rally Village and Galvanize Insurance Rally Central will not be possible from this point – pedestrian access only.

Tour Groups (i.e. Padden, Hyundai, Subaru, Toyota) will be permitted to enter the “Tour Parking Area” at this point (see map below).

For those vehicles located in the Public Parking area, exit from there will be only via the Ramsey Rd Gate, located on the eastern side of the Showgrounds (see map below).
