## Testing Instructions

NANNUP, WA

22-24 MAY 2026

## TESTING INFORMATION

- This year we are using a new area for Testing. We have a nice road that is usually part of the Milward Stage but we can't use the rest of the stage due to logging operations. Where we normally do Testing on the Ellis Stage is used for 2 stages.
- For access to the Test area, please enter via Old Cundinup Road, look out when crossing the bike path. Then exit via Milward Road, see maps and route chart attached.
- Reconnaissance for Testing will start at 4.00pm on Thursday and will finish at 5.30pm.
- There is very limited parking
  - Trucks are NOT permitted to attend Testing. They are to stay in the Nannup Service Park which is 8.00kms away.
  - Rally Cars and cars with a SERVICE sticker will be given preference, all others we will need to park them where we can find a location. Please tell your team to accept it the way it is.
  - Parking is on the edge of Milward Cct, see attached map. Please keep the road open so others can pass.
- Log Trucks may come through the Test Stage and the Service Park. We need to ensure the road is open for them and naturally stop the stage to allow them to access the logging area. We cannot have cars parked on the edge of the main road through the service park and up to the spectator area and they will need a wide turning circle entering and leaving.
- There is limited road to warm up brakes and tyres, this can be done on the first pass through.
- Sorry, the coffee van is now not available
- Testing will start at 8.00am and finish at 12.00pm.
- Cars will start at approximate 1-minute intervals, red flags will be deployed if a car stops on stage.
- Shakedown will start at 12.00pm or after the last car has finished Testing. This is for ARC teams only. It will be timed to allow a story to go out to publicise the event.
