Article 13 Reconnaissance

Please add

- G)** In the Kowen area stages ie SS 6,7,8,9,10,11 and12 there will be a reduced speed limit of **40km/h**, This is due to there being logging operations being carried out and there will be logging trucks crossing the rally route, all crews are asked to have headlights on while in the forest and be vigilant for these trucks.

Service Park Truck Parking

We have arranged with EPIC to allow us to park transporters and trucks in the service area from midday on Wednesday.

There will be no security at this location until Friday

Please see attached map on location to park, please park sensibly to allow other crews to get in and out of the area as may be needed. Please follow the marked route to get to the area. Trucks will need to be relocated to service area on Friday.

On Sunday after your competition car has left service, please pack up your area and your service vehicle can remain in the service park till 1800 hrs, when gates will be locked.
