RALLY SHOW

The Rally Show is still proceeding as per Bulletin 2, all crews are encouraged to bring their own umbrellas or appropriate shelter, however we are confident there will be a break in the weather. Service crew are able to take the competition cars to the rally show as per Bulletin 2. This event is a large community event for the Burnie community, and this is our small part for then enabling us to compete this weekend.

WASH BAY

A self-serve wash bay has been set up as per the service park map, teams are free to utilise this as they need.
