## INTRODUCTION AND WELCOME

---

The WA Car Club has established a remarkable legacy through its long-standing tradition of organizing the Forest Rally, having first hosted the Australian Rally Championship (ARC) in 1974. Since the inaugural Forest Rally in 1983 and its designation as the WA round of the ARC in 1985—with the exception of the COVID-affected years in 2020 and 2021—the club has consistently run the event for 44 years, marking 39 of those as part of the ARC. This year also commemorates an impressive 50 years of the ARC in Western Australia, solidifying its unique position as the only state with such a proud history in rallying.

The Forest Rally continues to evolve, with significant changes implemented this year, including the absence of the Super Stage on Friday night. Instead, participants and fans can look forward to a Rally Show and Ceremonial Start on the picturesque Busselton foreshore, adjacent to the iconic Busselton Jetty, mirroring the plans from 2024.

The upcoming 2025 rally will once again be hosted at the Nannup Recreation Centre, starting from the Helium Stage like last year, and introducing two new stages: Ferndale North, reminiscent of the old Kinky stage, and Lewana, which made a comeback last year after a 15-year absence. The Sunday schedule features a new stage, Ferndale South, followed by a modified Ellis stage, and concludes with a Power Stage which is a modified Milward from 2024, and with parts of the plantation being clear felled it will have a world class spectator point and Live coverage..

It's essential to have the collaboration and support of key organizations such as the Dept of Parks & Wildlife, Forest Products Commission, Shire of Nannup, City of Busselton, and local police, along with our officials, to ensure a successful rallying event. Their involvement helps maintain safety, compliance, and smooth operations throughout the event.

Our Officials sponsor are shown in our logo strips and we couldn't run the event without them. Competitors interested in supporting our officials with fuel and meals can select this option during the entry process in the entry system. We appreciate the dedication of our officials who contribute to the success of the rally, and this initiative offers a meaningful way for competitors to express their gratitude.

Thank you for joining us at the 2025 Forest Rally and we look forward to another notch in the history of the event.

**Ross Tapper**

**Clerk of the Course**
