Itinerary Updates

- Updated ARC / TRC Itineraries, refer **Attachment 1 & 2**
- Updated ARC / TRC Reconnaissance Schedules, refer **Attachment 3 & 4**

Crew Packs and Roadbooks
Roadbooks and competitor packs will be made available at Rally HQ from **3:00pm** to **6:00pm** on **Wednesday 12th August**, prior to reconnaissance.

Or Thursday 13th and Friday 14th August during Rally HQ opening hours as previously advised.

TRC competitors completing reconnaissance on **Sunday 9th August** may request an electronic copy of the roadbooks, which will be issued on **Friday 7th August**.

Printed roadbooks will not be available until Wednesday 12th August.

SS6 and SS7 Blackfish Reverse26
SS6 and SS7 Blackfish Reverse26 will be run at **1-minute intervals**, as approved by ARCOM.

Service Park Bump-in
Crews are advised that **bump-in** to the Service Park will commence from **10:00am** on Wednesday 12th August.

Service Park overnight Security will begin from **8:00pm** the evening of Wednesday 12th August.

Neutral Zone and Restricted Speed Zone
Due to the event being held earlier in the year, the rally coincides with the nesting season of the endangered Tasmanian Wedge-tailed Eagle. In consultation with the relevant authorities, measures have been implemented within the affected stage to minimise disturbance to nesting birds and support ongoing conservation efforts.

Therefore, within **SS3 and SS5 – Mawbanna Reverse**, we have had to introduce a Neutral Zone (NZ) and 150m after the start of the NZ will be a Restricted Speed Zone (RSZ) with a strict 40km/h maximum speed limit and a minimum speed limit of 20km/h. These speed limits will be strictly enforced.
The following penalties will apply for each **breach** of the above-mentioned limits:

- Speeds up to and including **10 km/h over** the 40 km/h limit, for a duration of **5 seconds or more.**
  Penalty - 60 seconds will be added to the stage competitive time for each breach.

- Speeds exceeding **10 km/h over** the 40 km/h limit, for a duration of **5 seconds or more**,
  Penalty – Crew will be referred to the Stewards of the Event, a penalty of up to and including **disqualification** may be recommended.

- Speeds below **20 km/h** for a duration of **5 seconds or more**:
  Penalty – 30 seconds will be added to the stage competitive time for each breach.

- Stopping in the Neutral Zone or Restricted Speed Zone:
  Penalty – Crew will be referred to the Stewards of the Event, a penalty of up to and including **disqualification** may be recommended.

Rally Show

Competitors and Crews are advised that **bump-out** to the Rally Show will commence from the Service Park Regroup Area at **3:30pm** on Friday 14th August.

Cars are to assemble 15 minutes beforehand at the regroup area (no later than 3:15pm) in seeded order. Rally officials will direct competitors to their designated release positions.

Cars will be released in seeded order at the discretion of the Service Park Manager, with approximately **1-minute** between vehicles. This is to allow organisers to position vehicles in the Rally Show area with minimal disruption.

All crews are reminded that it is compulsory to wear their driving suits at the Rally Show, and all crews must follow the prescribed route.

TRC and Regularity Signage

TRC and Regularity competitors are reminded that they are required to display the **RallySafe Windscreen Banner**. Banners can be collected from Rally HQ when collecting road books and competitor packs for those competitors who do not already have one.

Additional event signage is also required and must be positioned on each vehicle in accordance with *Part 2 of the 2026 Australian Rally Championship Sporting & Technical Regulations Addendum V1.0*.

Refer to **Attachment 5**.

Further Information for Regularity Competitors

Briefing

The Regularity Competitor/Crew Briefing will be held at Rally HQ at **7:30am sharp** on Sunday 16th August, prior to the commencement of competition.

Crews failing to attend the Competitor/Crew Briefing will be reported to the Stewards and penalties will be applied in accordance with the NCRs.

Regularity Safety Scrutineering

Scrutineering for Regularity competition vehicles will be conducted within the Service Park immediately following the Regularity Competitor/Crew Briefing from **8:00am** on Sunday 16th August.

All vehicles **MUST** be presented in a **"Ready to Compete"** condition, with all crew members wearing the required competition apparel and having helmets available for inspection.

Service Park officials will marshal vehicles into the scrutineering area on the morning of Sunday 16th August.

The Service Park will be open from **6:30am**.

RallySafe for Regularity

All Regularity competitors are reminded that they are required to have purchased and installed **RallySafe wired-in kits**. These must be connected to a permanent **12 VDC supply** and must not be connected via an accessory-switched supply.

Temporary RallySafe kits will not be available for this event.

RallySafe units will be fitted and powered on during Regularity Scrutineering on the morning of the event.

Regularity Average Speeds

Average Stage speeds will be provided the day prior to the event at 7pm on Saturday 15th August via Event Bulletin.
