Article 14 Running of the Rally

Article 14 (l) is amended as follows

l) Competitors in the ARC, SARC & SACS are required to run on rally tyres for the entirety of the event. Buffed tyres will not be allowed, excepted as provided for in the ARC Sporting Regulation Article 15 (d) and Part 2 Technical Regulations Article 4 Tyres subsection (j). ~~Any competitors turning up to start SS1 on road or buffed tyres will not be allowed to start.~~

Article 22 Event Specific Regulation

There will be no requirement for credentials at The Bend Motorsport Park.

The following is deleted.

~~C) Competitors and Service Crews will be given credentials to give them access into the service park at The Bend Motorsport Park.~~

The following is added

D) Tyres

As allowed for under the ARC Sporting and Technical Regulations, Part 2 Technical Regulations Article 4 Tyres subsection (j), which reads

“The use of the control tyre is subject to availability. Motorsport Australia reserves the right to limit/amend the use of any pattern/compound for an individual rally which will be advised by event Bulletin for the affected rally”

The following will apply:

- (i) For SS1 GT Plus 1 and SS2 GT Plus 2, the tyres used on these stages can be buffed/used rally tyres that do will not count towards the tyre allocation for the event. Note: Part 2 - ARC Technical Regulation, Article 4 Tyres.
- (ii) The use of Hoosier 195MED (medium) tyres are approved for this event.
