Stage Comparisons for 2025

Saturday - October 4th

Retreat Valley – Last time this stage was used in this direction was 2018 and has not been used since 2020 where it was run in reverse. There has been a lot of road upgrades for the first 3km since the last time we ran this stage.

Kenton Valley – Same as last 2 years

Charligate – New stage start for the first 2.3km, then it joins last years stage (2024 road book) from tulip 24 to the finish.

Bugle Ranges – Same as last 2 years

Wattle Flat – Same as last year

Sunday - October 5th

Clarendon – Same as last year

Kuitpo – New stage. From the 10.05km mark, the finish of the stage is the reverse of the start of the Meadows Stage from the last 2 years.

Red Creek – New stage

Back Callington/Power Stage – Same as last year until the tulip 9 (2024 road book) where we turn right before the tunnel under the freeway, then 370m to the flying finish.
