Good morning,

Please find attached template to be populated if you require our event to apply for an Australian Capital Territory (ACT) **Unregistered Vehicle Permit (UVP)**, to cover your rally car for the duration of the 2025 Rally of Canberra, on your behalf.

Please populate all fields, attach copies of the drivers civil licence and car club membership, and return to secretary@rallyofcanberra.com.au **by 1200h (noon, AEDT) tomorrow (Friday 14 March 2025)** so we can submit the application to the ACT Government on your behalf tomorrow afternoon.

The UVP fee for rally week is anticipated to be in the region of **\$50**, which the event will pay upfront to the ACT Government on your behalf. We will subsequently advise you of details to reimburse the event, once we have received the approved ACT UVP and can confirm the fee charged.

If you do not require us to apply for an ACT UVP on your behalf, please upload the details of the vehicle registration you have in place to the WOLF entry portal as soon as possible – if you haven't already – so we can finalise documentation verification.
