| Issue Date | 21 August 2025 |

Item 1: Stage Notes

allports.nz

Dear Competitor,

It has come to our attention that the Safety Notes for the Coromandel Rally has some inconsistent sequencing.

An example is below

5+R 6+L>5 X

5R+ 6L+>5 ✓

Please amend your copy of the notes where plus and minus symbols come before the corner designation right or left.

We apologise for the error.

Regards

Neil Allport Motorsports Ltd
