

CARLOW CAR CLUB FORESTRY RALLY 2025

Press Release 2

Further to the below Statement from Motorsport Ireland regarding the non attendance of the Euro M-Sport fuel supplier for the upcoming West Cork Rally 2025, we at Carlow Car Club are confirming to all competitors that Euro M-Sport **will not** be attending the Carlow Car Club Forestry Rally taking place on March 23rd 2025.

The event refuel area will remain in operation for **self-refuelling only** inline with the published guidelines from Motorsport Ireland.

We apologies sincerely to all our competitors and their teams but this is unfortunately beyond our control.

Motorsport Ireland Statement March 10th

Motorsport Ireland, having received communication (see below) from fuel supplier Euro M-Sport, can confirm Euro M-Sport will not be attending the 2025 West Cork Rally.

The event refuel area will remain in operation for self-refuelling only, in line with the [published guidelines](#).

Motorsport Ireland will continue to engage with Euro M-Sport on the matter and will issue further updates in due course.

Euro M-Sport Communication

"Euro M-Sport regret to announce that we will not be providing a refuelling service at the West Cork Rally this weekend.

We appreciate that this is short notice, and we sincerely apologize for any inconvenience this may cause our valued customers and partners. However, during our regular pre-event checks for this weekend, an issue was identified that we sought immediate clarification on.

Due the technicalities of the service we provide, and having still not received a clear and definitive answer, we have found ourselves in the difficult position where we cannot risk our business. We feel we have a solution to this issue, but unfortunately, the speed at which this will happens is outside of our control.

Fuel can still be collected from our warehouse, and we are committed to liaising with our customers to minimise the disruption. Thank you for your understanding and continued support. We remain dedicated to providing the best possible service to motorsport and hope to resolve this matter swiftly."
