

Birr & District Motor Club Endurance Trial

Sunday 2nd October 2022

Round 5 of the Coffee Perfection Endurance Trial Championship

Press Release 1:

28th September 2022

All systems are GO for the upcoming Birr & District Motor Club Endurance Trial on Sunday 2nd October.

The event is under the leadership and guidance of first time COC Tristan Horan and his team, with lots of new tests as well as using sections of some old favourites.

Speaking about the event Tristan commented “it’s been a pleasure to be involved in leading up the Endurance Trial this year. I have a great and hard-working team around me with vast experience in this discipline. We have picked some new tests which we know competitors are going to love, with a mix of surfaces. The tests are predominantly in the North Tipperary area, with some across the Offaly border. We are very grateful to the local landowners for co-operating with us, we couldn’t run such an event without their help”.

The event headquarters is in Garahy’s Garage, Birr, and the Motor Club would like to express their gratitude to the Garahy family for their generosity towards the Motor Club once again.

So far over 25 crews have entered, with more expected to finalise their entries in the coming days. The Motor Club is very grateful to crews for their support towards the event.

Entries are still being accepted, contact Event Secretary Noelle Horan on 087-0666663.
