Driving Standards Observers and Interim Cars will be on patrol, and monitoring for compliance.

#### 9.5 Refuelling

Harbour Garage Tobermory, have confirmed that they will have a supply of Super Unleaded (98 RON) fuel available during event week, for competitors to obtain fuel for self-refuel, or to use as a filling station on the rally route.

Gulf Race Fuel will be in attendance with a refuel rig at the Refuel Zone.

Change of phone number for Vital Equipment: +44 1981 241169

Last we were advised, Vital Equipment / Carless Fuels will not have a refuel rig, but will have a fuel can delivery service in operation from MacDonald's Filling Station, Salen, PA72 6JF, ///forensic.await.meanders, from which competitors may then take their self-refuel cans to the Refuel Zone.

# Competitors must ensure that they, and their service crews are fully aware of, and adhere to the refuelling rules:-

- Competitors may only refuel in the refuel zones defined in the road book, or by using commercially available pump fuel dispensed directly from pumps at filling stations on the rally route (locations as advised in Rally Guide 1).
- For the avoidance of doubt, refuelling in the Service Parks is prohibited.
- The refuelling zone will consist of a self-fuel area, where competitors will be able to refuel their vehicles using their own fuel brought to the event in an appropriate British Standard approved fuel container.
- Owing to space requirements, to reduce the total fuel contained within the Refuel Zone at a given time, all fuel for each leg must be deposited with the Refuel Zone Officer in the refuel area between:
- Leg 1 08.30 and 18.30 on Friday 14th October
- Leg 2 08.30 and 10.30 on Saturday 15th October
- Leg 3 19.00 and 21.00 on Saturday 15th October
- When depositing fuel, ensure that cans are labelled with your car number (the Refuel Zone Officer & team may be able to assist with labelling) and that the Refuel Zone Officer is informed of the number of cans being deposited.
- Tagged fuel containers will be logged and released for use to the Competitor's nominated person(s) only.
- The responsibility for refuelling is incumbent on the competitor alone
- Each crew is allowed 2 nominated persons for the purpose of refuelling, and they will be permitted entry up to 5 minutes prior to their competition car no other personnel will be permitted to enter the Refuel Zone.
- The Refuel Zone will open 07.30-18.30 on Thursday 13th to allow for fuel to be taken prior to Shakedown/Scrutineering, and from 08.30 hours on Friday 14th to allow for fuel to be taken for Scrutineering / prior to the start
- It is not permitted to transport fuel across the Service Parks whilst the rally is in progress.
- No one under the age of 17 will be allowed in the Refuel Zone.
- No sources of ignition, naked flame etc may be brought into the refuelling area.
- Containers should comply with the relevant British Standard, should be marked "Petroleum Spirit-Highly Flammable" and be kept from any source of ignition.
- All empty containers should be removed from the venue after the event
- Fire Extinguishers will be on hand at the Refuel Zone.
- Petrol is to be used as vehicle fuel only, not for any other purpose.

When refuelling

- 1. There will be a strict maximum 5MPH limit in the refuel zone.
- 2. Refuelling operatives, including those standing by, should ensure they are wearing protective clothing, including suitable non-absorbent gloves and eye protection.
- 3. Refuelling must be either by pump or from MOD/UN specification 20 litre jerry cans with the purpose made flexible metal spouts. **Funnels are NOT permitted.**
- 4. No other activity is permitted in the refuelling areas and the vehicle must have all four wheels on the ground Judges of Fact will be present to monitor compliance.
- 5. On entering the refuel area competitors will be directed to a refuel bay.
- 6. Empty cans may be removed, but only with the express permission of the Refuel Zone Officer
- 7. If a car fails to start within the refuel area it must be moved out of the area before ANY work is carried out.
- 8. Refuelling must not commence until there are **no occupants** in the vehicle.
- 9. Engines must be switched off throughout the refuelling process.

Keep off of the grass in the vicinity of the Refuel Zone and Pennygown Chapel.

Please note that permission can be obtained to retrieve your fuel canisters during the event if you are forced to retire, by asking the permission of the event Motorsport UK Environmental Scrutineer or Refuel Zone Officer (<a href="mailto:refuel@mullrally.org">refuel@mullrally.org</a>). They will give clear instructions on how these containers can be collected.

Any competitor found in breach of refuelling area procedures will be subject to the following penalties.

For late deposit of self-refuel canisters and/or moving of fuel canisters around the Service Parks during the event, or breach of Refuel Area Safety Rules 1 to 7 or if you are found refuelling in an area other than the Refuel Zone, or by using commercially available pump fuel dispensed directly from pumps at filling stations on the rally route, the penalties are as follows:

- First Offence Reported to the Clerk of the Course
- Second Offence Disqualification from the event

For breach of Refuel Area Safety Rules 8 and 9 (R.38.1.7):

• Disqualification and reported to Motorsport UK

For any queries on the Refuel Zone procedures, please liaise with Mark Casey (Motorsport UK Environmental Scrutineer) and at Stevie Reeves (Refuel Zone Officer) at <a href="mailto:refuel@mullrally.org">refuel@mullrally.org</a>

#### 11.2 Prizes

Due to insufficient entries in some of the historic classes, H1, H2 & H3 will be amalgamated into one class "H1/H2/H3" (SR3.3). H4 and H5 will remain their own separate classes.

Prizes will be awarded for 1st, 2nd and 3rd in each of these new classes.

#### 2. Ledaig Car Park & Glengorm Road

No service vehicles or trailers are allowed in Ledaig Car Park Tobermory or Glengorm Road west of MR 4975 5515, from 12.00 Wednesday 12th October until 09.00 Saturday 14th October.

The penalty for non-compliance is:

- First offence Fine of £100 to be paid before start
- Second Offence 5 minute time penalty added to time the crew or crews of the vehicle
- Third offence Start not permitted or disqualification

#### 3. Red Flags & OK/SOS Procedures

On any special stage where in extreme circumstances is it necessary to authorise the movement of non-competing or rescue vehicles before the stage is cleared of competing cars, a system of red flags will be in place. These flags will be at every radio location marked in the road book on the special stages.

Information given to Marshals or Officials regarding the display of an OK/SOS Board, must **ALWAYS** be **FACTUAL** and **ACCURATE. NO INFORMATION** is better than **FALSE OR INACCURATE INFORMATION** – please only report what you have actually seen, if you did not see anything, say so. If you are not sure of the OK/SOS Board procedure, please refer to section R25.4 of the Motorsport UK Yearbook.

Competitors are urged to familiarise themselves with **SR 8.11 Car Tracking** and associated non-compliance penalties.

A reminder on Red Flags & OK/SOS Procedures will be provided at the Competitors' Briefing.

#### 4. Medical Facts

Any competitor with medical facts which may be pertinent to their treatment in event of an incident, are requested to provide such details, in confidence, to the Chief Medical Officer.

This can be done by contacting <a href="medical@mullrally.org">medical@mullrally.org</a>, or by way of submitting a sealed envelope to the Event Secretary at Material Collection.

#### 5. Time Schedule

An updated Schedule (TS 1.1) is attached below.
