## 1 Welcome

Welcome to the 2022 Beatson's Building Supplies Mull Rally. Thank you for your interest in – according to some – “The Best Rally In The World”.

This year sees a cause for celebration – the 50th running of our annual rally event on Mull.

As such, after a few years of a largely unchanged route, this year's itinerary includes a few special additions to mark the occasion, and other subtle changes to keep things fresh. The main features of recent years remain: “Rally Zone” spectator area at the Glengorm crossroads in Tobermory on all three legs, and the final flat out run up Glen Aros and over the Mishnish Lochs to Tobermory, for the final control in Ledaig Car Park. These are supplemented on Friday night by the return – for the first time since 2014 – of the popular Tobermory town stage.

In a further nod to the event's history, “The Long One” this year becomes “The Very Long One” – 30 miles of Loch Tuath / Calgary Bay / Glen Aros, last run as a “selective” in the 1980s. The successful shakedown at Duart Castle moves to Thursday, to help spread the load for our hardworking marshals, retaining 2 sessions to accommodate more competitors. Our event safety tracking system, first introduced in 2019 to improve the response to incidents and management of the field afterwards, makes a welcome return thanks to our partners at Sporttraxx.

As always, our thanks to John & Ross Marshall of Beatson's Building Supplies for sticking by the event and giving us their continued support, to everyone on the island for letting us use their roads and to all the support facilities and marshals who ensure that the sport can take place safely. Thanks also to Argyll & Bute Council and Police Scotland for their pro-active support in helping us to organise the event. We are also grateful for the ongoing support of Event Scotland which recognises the global reach of the Mull Rally.

We look forward to welcoming you all to Mull over the weekend of 13<sup>th</sup> - 16<sup>th</sup> October, and to continuing the legacy that is rallying on this special island.

Richard Crozier  
Clerk of the Course

---

## Event Summary

The Beatson's Building Supplies Mull Rally is an event that started back in 1969 as a road rally. Now an incredibly popular stage event that traditionally runs over two-night legs and a daylight section – the narrow, twisty and quick tarmac roads of the island challenge every crew that tackles them. But they all love the challenge.

### Route

For 2022, the route varies somewhat to that of 2015-21, using elements of the 2014 and 2010 routes, plus some other new additions. The provisional route details (subject to approvals) are contained in Appendix 1 of this Rally Guide 1.

	<b>Starts</b>	<b>Ends</b>	<b>Stage Miles</b>	<b>Road Miles</b>
<b>Leg 1</b>	Tobermory	Salen	38.89	42.44
<b>Leg 2</b>	Salen	Craignure	51.56	67.84
<b>Leg 3</b>	Salen	Tobermory	55.12	55.71
		<b>Totals</b>	<b>145.57</b>	<b>165.99</b>

The stages are all held on closed public single track roads of Mull. There has recently been quite a large programme of resurfacing by Argyll & Bute Council and the roads are looking great.

#### 1.1 Changes for 2022

The service park will continue to be located in Craignure on Legs 1 and 3, and Tobermory on Leg 2. Scrutineering moves to a new venue at Tobermory Harbourfront.

### Thursday 13<sup>th</sup> October

Shakedown will take place, as usual, at Duart Castle, but this year moves forward by one day to Thursday, to spread the load on our volunteer marshals.

### Leg 1 – Friday 14<sup>th</sup> October

The Tobermory town stages will be as per the 2014 route, running twice in quick succession past the RallyZone spectator area, with the second run leading into Mishnish Lochs. Calgary Bay and Loch Tuath will be the same as 2014, save some chicane changes. Loch Kinloch and Knock are the same as 2021, with some minor chicane changes.

### Leg 2 – Saturday 15<sup>th</sup> October

Loch Tuath and Achnadrish both run for the first time in daylight in this direction since 2010. Loch Tuath is joined by the Hill Road (as used on Ensay / Hill Road 2014-21) to finish – the whole stage being a reverse of 2015-21 Hill Road / Loch Tuath. Ben More and Scridain are the same as the 2016-21 Saturday night route – again, both last run in daylight in this direction in 2010.

### Leg 3 – Saturday 15<sup>th</sup> / Sunday 16<sup>th</sup> October

Loch Tuath / Calgary Bay will use the 2014 route, with the addition of Glen Aros (last run north-south in 2015), to extend the stage to 30.92 miles. Ben More, Scridain and Glen Aros / Achnadrish are the same as 2021, with the finish in Tobermory's Ledaig Car Park.

---

## 1.2 Environmental Sustainability

During the early consultation for this year's event, we were challenged about the environmental impact of the rally on Mull. The organisers are working on a strategy which will demonstrate year-on-year improvement to the green credentials of the event. This year we will offset carbon generated by the fossil fuel consumption not just on the rally route, but also getting to the rally.

This means the organisers, the crews, their support crews, marshals and officials will travel to this stunning part of the world safe in the knowledge that their carbon dioxide emissions will be fully compensated.

We talk a lot about the positive economic impact the rally has on the island, but it's vital that we compensate for the environmental impact as well. The rally is working with the Glen Aros based Future Forest Company to conclude an agreement on carbon offset credits, ensuring the event's environmental impact is mitigated. A small of each competitor entry fee will contribute to the carbon offsetting cost, along with an additional contribution from the rally itself.

---

## 4 Entry Details

### 4.1 Titles for which the rally counts

Burnside Piling Scottish Tarmac Rally Championship	2022/12
ANWCC Stage Rally Championship	29/2022
ANWCC Allrounders Championship	26/2022
SD34 Stage Rally Championship	TBC

### 4.2 Entry Fee

£875 (Sterling)

Included in the entry fee will be all information required to compete on the rally, service plate, recce plate, safety tracking system, marshals' donation, and carbon offsetting.

### 4.3 Criteria for Acceptance of Entries

All entries for the 2022 Beatson's Building Supplies Mull Rally must be made on the online entry system which will be found in the supplementary regulations.

The maximum number of entrants will be 150 plus reserves. The minimum is 140.

It is expected that the 2022 Mull Rally will be over-subscribed with entries. Having examined the entry procedures of all rallies so far in 2022 and many popular rallies before that, the organising team have settled on the following process:

- Entries will open on Friday 5<sup>th</sup> August at 19.30.
- All fully-completed entries submitted within the first 48 hours (i.e. by 19.30 on Sunday 7<sup>th</sup> August) will be ring-fenced into a candidate pool.
- The organising team will select approx. 40 entries at their discretion. Of these, shall comprise approx.:
  - 5 entries for 'first-time' Mull Rally competitors
  - 5 entries for 'local' Isle of Mull / Argyll & Bute competitors
  - 5 entries for 'regular' competitors with 15 or more Mull Rally / Tour of Mull starts since 1995
  - 5 entries for 'Historic' vehicles, in celebration of the event's 50<sup>th</sup> runningNo communication will be entered into regarding these.
- Entries will then be selected at random from the remaining candidate pool, to bring the total to 150.
- Those 150 crews will be notified, and given 5 days to make payment.
- The remaining entries within the candidate pool will be allocated onto the reserve list in a random order.
- Upon completion of the payment process, the first unseeded entry list \*may\* be published. This will not occur any earlier than Saturday 13<sup>th</sup> August and may be later.
- All incomplete entries and entries received after 19.30 on Sunday 7<sup>th</sup> August will be placed on the reserve list, behind the initial candidate pool.
- All entries from the initial 150, who have failed to pay within the 5 days period, will be placed on bottom of the reserve list.
- If and when entries are withdrawn, reserves will be offered accepted entries in the order in which they feature on the reserve list. At that point their entry payment will be due within five days.

The intention of this process is:

- To leave the entry open date as late as possible, to minimise "speculative entries",
- To minimise the situations where entries have to be declined and refunds processed,
- To ensure that entrants have sufficient time to include all key data on the entry form,
- To ensure the organising team have sufficient time to process the entries in a robust manner.

It is acknowledged that there is no perfect process that satisfies all parties. The Mull Rally organising team remain in a privileged position by having a very popular event, and do not relish the prospect of letting anybody down. One message we would like to give is:

***“Only enter if you are serious about taking part.”***

#### 4.4 Entry Packages

	All entrants
<b>Vehicle Plates</b>	
Service	1
<b>Passes</b>	
Service	Undefined
<b>Administration</b>	
Road Book	1 (0)
Rally Guide 2 / ‘Final Instructions’	1 (0)
Route Map	1 (0)
Official Programme	1
Service Park Area	Undefined m <sup>2</sup>
() Number of Copies to be mailed/couriered to the named contact on the entry form	

## 5 Service Park

### 5.1 Location

Servicing will only be permitted, from one service vehicle identified by official sticker, only at areas designated as Service Areas in the Road Book.

Space for servicing on the island is very limited, we would request that you bring the absolute minimum vehicles necessary. There is no central service on the Mull Rally. The service park for Legs 1 and 3 is in Craignure, which also must manage the ferry traffic. Hence there are limited access times. The service park for Leg 2 is the entire town of Tobermory, which is the main location for shops, restaurants, and accommodation. Please set up with consideration to residents and other visitors, without impeding any public roads or paths, and always request permission to set up on private land.

Emergency/Management/Auxiliary Service will not be permitted this year. This is to reduce the number of people and vehicles coming with each team and reduce the congestion on the roads during the event.

### 5.2 Opening Hours and Trailer Parking

Ferry arriving at 19.06 and departing at 19.35 – No competitor’s service team is to set up on any CalMac ground in Service Area A before 20.00 on Friday 14th October.

Ferry arriving at 22.31 & departing at 22.45 – The area of yellow hatching at the end of the passenger walkway and the area for loading vehicles must be kept clear at all times.

No competitor’s service team is to set up in Service Area D before 21.30 on Saturday 15th October.

The penalty for non-compliance with any of the above will be a five-minute penalty to the corresponding competing car or cars.

There is no centralised trailer parking on the island. Most competitors leave their trailers at their accommodation. If this is not possible, please ask your accommodation provider to put you in touch with a landowner who might be able to help. In addition, we would specifically request that trailers are not parked within the streets of any of the towns and villages and very importantly not in Ledaig Car Park.

---

### 5.3 Health & Safety

Your attention is drawn to the current Motorsport UK Service Area Guidelines.

Please note, these have been updated as of 4<sup>th</sup> June 2022, and contain some new requirements.

<https://www.motorsportuk.org/wp-content/uploads/2022/03/Annex-P-Service-Area-Guidelines-January-2022.pdf>

We strongly recommend that all service crews carry suitable fire extinguishers and spill kits.

All competitors must use a tarpaulin sheet under the car they are servicing.

### 5.4 Fuel & Refuelling

It is the intention to have Refuel Zones external to the service area. As well as refuel rigs, self-refuel will also be located within the Refuel Zones. Use of the Refuel Zones or pump fuel from petrol stations on the route will be mandatory, and refuelling will be prohibited in the Service Parks. The distances shown on the schedule are for the Refuel Zones, and competitors using filling stations will need to make adjustments as appropriate.

Specialist fuel suppliers with refuel rigs, intending to be present on Mull, are:

<a href="http://www.vitalequipment.co.uk">www.vitalequipment.co.uk</a>	Carless Racing Fuels	<a href="mailto:info@vitalequipment.co.uk">info@vitalequipment.co.uk</a>	+44 2476 717100
<a href="http://www.andrewgallacher.com">www.andrewgallacher.com</a>	Gulf Race Fuels	<a href="mailto:andrewgallachermotorsport@hotmail.com">andrewgallachermotorsport@hotmail.com</a>	+44 1563 537145

There are five petrol stations on the Island as follows, please check opening times:

- MacDonald's Filling Station, Salen, PA72 6JF, ///forensic.await.meanders
- Harbour Garage, Tobermory, PA75 6NT, ///taps.contoured.novelists
- Spar Shop, Craignure, PA65 6AY, ///maybe.flush.epic
- Ardfenaig Filling Station, Buinessan, PA67 6DX, ///popping.tabloid.straying
- MacDougall's Garage, Fionnphort, PA66, 6BW, ///sands.duties.amuse

Harbour Garage intend to have a supply of Super-Unleaded – to be confirmed nearer the time. The other locations don't normally stock SUL.

## 6 Spectating

Spectating on the event is free of charge. Programmes will be available for sale at numerous outlets across the island, and donations to local charitable causes while spectators are on the island are encouraged.

The main spectator area – RallyZone – will be located at Glengorm Crossroads on the outskirts of Tobermory, ///eyeful.tram.outdoor. There are regular bus links between Craignure and Tobermory, meaning that – added to Service B/C on Saturday afternoon, and the start/end of the event, plus winner's parade and prize-giving – viewing the event in full as a foot passenger, is a distinct possibility. Further details on bus links at [www.westcoastmotors.co.uk](http://www.westcoastmotors.co.uk)

A further popular viewing location is the Smiddy Junction / Kilmore Church in Dervaig, ///renewals.pickup.sugars. This spot will see competitive action twice on the Saturday evening.

Spectators have a responsibility to themselves and to the Island. Pick safe locations to spectate, follow marshal and landowner instructions, and convey this message to others around you. Respect the Island – take your litter home, leave places as you find them, and be aware that most locations are active farms with livestock. Challenge or report poor behaviour by those around you.

Further information on how to maximise your spectating experience on Mull, and how to spectate safely at stage rallies, and can be found at [www.mullrally.org/spectator-safety](http://www.mullrally.org/spectator-safety)

---

## 7 Marshalling

Marshals are the lifeblood of any motorsport event, and particularly that of rallying on Mull. Many of our volunteers come back to the island year-on-year, for this unique and sociable experience.

To marshal on the event, it would be an advantage to be a Motorsport UK registered marshal, however non-registered volunteers will be more than welcome. Non-registered volunteers will be buddied up to work alongside experienced marshals.

All marshals and volunteers are required to register on-line – this will allow us to send you details, as well as a link to sign-on via the online system.

A full range of incentives and goody bags are on offer, with details to be provided shortly.

To register your interest in Marshalling, Radio Marshalling or Volunteering, please use the following links:

### **Marshals**

<https://mullrally.org/marshal-registration/>

Chief Marshal, Tom Wilson – [marshals@mullrally.org](mailto:marshals@mullrally.org)

### **Radio Marshals**

<https://mullrally.org/radio-reg/>

Comms Officer, Leanne Ritchie – [radios@mullrally.org](mailto:radios@mullrally.org)

## 8 Accommodation

Accommodation can be in short supply during rally week, with many people returning year-after-year. It is advised to book as early as possible. Please pay attention the road closure times to avoid being locked-in or locked-out. The majority of hosts are found on these websites:

[www.mullrally.org/accommodation](http://www.mullrally.org/accommodation)

[www.visitmullandiona.co.uk](http://www.visitmullandiona.co.uk)

In addition, there are two Facebook groups where people often “trade” vacancies:

- “Mull – Help & Information” – <https://www.facebook.com/groups/1428690623813652/>
- “Everything Mull” - <https://www.facebook.com/groups/607900709700463>

New for this year, we also have a dedicated Accommodation Officer, primarily focussed on accommodation for officials to enable us to deliver the event, but who may be aware of small amounts of accommodation availability:

Accommodation Officer, Ron Cowan – [accom@mullrally.org](mailto:accom@mullrally.org)

If you intend to take a campervan, please follow this guidance:

[www.visitmullandiona.co.uk/guides/campervanning](http://www.visitmullandiona.co.uk/guides/campervanning)

We would request that you book campervan stays at the formal campsite facilities. In addition, we would specifically request that campervans are not parked within the streets of any of the towns and villages and very importantly not in Ledaig Car Park.

---

## 9 Reconnaissance

### 9.1 Registration

Recce, once registered, is unlimited in time and number of passes.

All competitors who have submitted an entry, including those not yet accepted, wishing to carry out reconnaissance on the island must record this fact along with vehicle details on the online entry form. All details must be with the Organisers by Thursday 22nd September. Reconnaissance plates will be posted to the crew member nominated on the entry form no later than Sunday 25th September. Once a competitor is in possession of the recce passes it is mandatory to display them in the recce vehicle. Failure to register and being witnessed on a designated stage after Thursday 29th September will be considered to be practicing, and R.26.7 will apply.

### 9.2 Reconnaissance Procedures

Please note that the roads are in general use to the public, farmers, nurses, homecarers etc at all times. Good behaviour on the recce is essential to the continuation of the rally on the island.

Very specifically – if you have any incident involving pets, livestock, or deer, please report it immediately Donald MacLean at Knock, Tel. **+44 (0)1680 300353**. Please try to define your location.

Please also follow this guidance:

[www.visitmullandiona.co.uk/guides/driving-on-mull/](http://www.visitmullandiona.co.uk/guides/driving-on-mull/)

Further details on reconnaissance restrictions, inc. speed restrictions, penalties, etc. will be contained within the Supplementary Regulations. Please note, that following feedback from recent years, 2022 will see an increase in the active monitoring and policing of reconnaissance behaviour.

### 9.3 Subjective Route Notes

Subjective Route Notes are available from the following suppliers:

<a href="http://www.scotmaps.co.uk">www.scotmaps.co.uk</a>	Bill Sturrock	<a href="mailto:bill@scotmaps.co.uk">bill@scotmaps.co.uk</a>	+44 (0)1356 667090
<a href="http://www.onthepacenote.co.uk">www.onthepacenote.co.uk</a>	Craig Parry	<a href="mailto:onthepacenoteuk@gmail.com">onthepacenoteuk@gmail.com</a>	+44 (0)7977 234790

## 10 Shakedown

We will run two shorter shakedown sessions on the normal road at Duart Castle on Thursday to try and accommodate more competitors. The move from Friday to Thursday being to spread the load on our marshals.

Session 1 – 10.00 – 12.00

Session 2 – 13.00 – 15.00

Each session will be able to accommodate 30 cars and there will be a fee to be paid to take part.

The route is just under 1.5 miles of dead-end road is run in both directions, with space at either end to turn and wait.

Competitors are allowed as many runs as they can achieve in the 2 hour window.

Any variation from the signed-on entered crew for the rally, for the purposes of shakedown (e.g. change of co-driver), **must** be advised to the Entries Secretary in advance, by Tuesday 11<sup>th</sup> October. All persons participating in the shakedown must be fully signed-on, and fully scrutineered safety equipment in accordance with Motorsport UK requirements must be worn at all times.

Service crews are allowed to travel into the castle before the road is closed, and have to stay here until the session has finished. Cars should be driven to Shakedown as there is no trailer parking at the castle.

---

## 11 Media

### 11.1 Contact Details Before the Rally

Sandra Evans

Press Officer – Beatson’s Building Supplies Mull Rally

Telephone: +44 (0)7887 693993

Email: [press@mullrally.org](mailto:press@mullrally.org)

### 11.2 Accreditation Procedure and Criteria

All persons wishing to attend the Beatson’s Building Supplies Mull Rally as working media, are subject to the Motorsport UK Rally Media Accreditation system, for UK special stage rallies.

Full details can be found at [www.motorsportuk.org/the-sport/media/rally-media-accreditation](http://www.motorsportuk.org/the-sport/media/rally-media-accreditation)

### 11.3 Media Centre

A Media Centre facility is not provided.

## 12 Medical and Safety Services

### 12.1 Emergency Contact Details

Rally HQ (Emergency Number)	+44 (0)7594 216246
Emergency Services (Police/Fire/Ambulance)	999

## 13 Useful facts and services

### 13.1 Getting to Mull

Overview of Mull as a destination:

[www.calmac.co.uk/destinations/mull](http://www.calmac.co.uk/destinations/mull)

There are three ferry routes, all operated by Caledonian MacBrayne (CalMac). Timetables are on the website ([www.calmac.co.uk/summer-timetables](http://www.calmac.co.uk/summer-timetables)) with further advice as follows:

#### **Oban to Craignure**

This is the main ferry with the shortest drive from the South. There are two different vessels, both require you to exit your car and sit in the passenger areas with bar and catering. Booking is essential in both directions. If you don't have a booking, it is very unlikely that you'll get a space.

#### **Lochaline to Fishnish**

This ferry is a shorter crossing, but a slightly longer drive if you are arriving from the South. You can sit in your car, and there is no catering on board. There are cafes/takeaways at both departure points. Booking is not possible, it's first come first served. On post-rally Sunday morning, there can be very long waits to board this ferry.

#### **Kilchoan to Tobermory**

This ferry is a shortish crossing, but an even longer drive if you are arriving from the South. You get out of your car and sit in the vessel accommodation. There is no catering on board. Booking is not possible – it's first come first served. Despite the long drive from Kilchoan to the major road network, this route is worth considering.

**Ferry Prices** – Thanks to the Road Equivalent Tariff, the ferry prices are quite low. However, please read the details in the timetable regarding fares. This especially applies to towing your rally car on a trailer, behind a car, van or truck.

**Fuel** – You cannot transport your fuel supply to the island on the ferry. There are MCA regulations in place which limit the carriage to 5 litres.

### 13.2 General Information

#### **Climate**

The climate in Scotland is milder than the rest of Northern Europe. Average temperatures for October are between 6-11°C, the average monthly rainfall is 96mm.

#### **Time Zone**

The official time during the rally will be GPS time, British Summer Time (UTC+1).

#### **Currency**

Currency is pound sterling (£), divided into 100 pennies. The denominations in circulation are:

Notes: 5, 10, 20 and 50 pounds.

Coins: 1 and 2 pounds. 1, 2, 5, 10, 20 and 50 pennies.

---

### 13.3 Facilities

The tap water is safe to drink.

The electric supply is 240 volts. Plugs and sockets are of a three pin design.

#### Telephones

Public telephones can be operated with either phonecards, coins or credit cards.

The International prefix for outgoing calls is 00.

The International prefix for incoming calls is +44, then delete the leading 0 in the area code. i.e.:

Deeside area code is 01244, from abroad this is +44 1244.

Speaking Clock Dial 123

Directory Enquiries Dial 118 500

#### Smoking

Smoking is not permitted by law in enclosed public places and workplaces in Scotland.

#### Driving

The driver and all passengers are required to use seat belts at all times.

It is illegal to use a hand-held mobile telephone whilst driving.

The Police can order breathalyser tests of drivers. The maximum permitted level of alcohol in the bloodstream is 50mg/100ml.

Drive on the LEFT, and overtake on the right.

#### Speed Limits (Cars)

Built up areas	30mph (48kph)
Main roads	60mph (96kph)
Motorways or Dual Carriageways (none on Mull)	70mph (112kph)

These speed limits are for cars; there are other limits for vans and goods vehicles.

There are also other limits indicated by traffic signs.

#### Motorway Tolls

There are no motorway tolls once you have entered Scotland.

#### Air Travel

Nearest airport is Glasgow Airport (approx. 2 hours drive from Oban), with transfer to Glasgow Queen Street Station, and then train (approx. 4 hours) to Oban.

For further information visit [www.glasgowairport.com](http://www.glasgowairport.com)

#### Taxi Companies

Chris's Hire, Tobermory	+44 (0)7493 886237
Mull Taxi, Tobermory	+44 (0)7760 426351
Tobermory Taxis, Tobermory	+44 (0)1688 302635

Our elevated camping ground offers a variety of serviced and unserviced tent and motorhome pitches, all of which have a stunning 360-degree seascape and mountain surround.

Modern facility blocks sit on the lower tier of our campsite, where guests can access a double sink washroom along with our newly installed 'bothy', providing communal laundry facilities.

Approximately 800m from the village centre, our campsite offers easy foot access into the village's amenities, while also providing an incredibly quiet and peaceful camping ground off the beaten track.

Surrounding our campsite is 100 acres of open shoreline for our residents to explore freely, with designated paths leading to the shore itself.

With easy access to Salen Bay, you are well placed to launch small vessels, wild swim or do some fishing. Guests can also take full advantage of kayaks and paddleboards available to hire out on site.
