

Number plate

Here are the instructions for correctly and proportionally positioning the official logos inside the number plate.

Both Logos
Minimum size:
h.20mm

blue line
Minimum size:
h. 40mm

Number plate

Championship leader

After each FIM Flat Track World Championship race meeting, there will be a championship intermediate classification based on each rider's results. It will be compulsory for the first ranked rider (first in the classification) to mount the red plate on their bike for the next event.

Both Logos
Minimum size:
h.20mm

blue line
Minimum size:
h. 40mm
