**DECISION n. 28 Amended**

**Document n.2.28**

**From:** the Stewards

**Date:** 24/05/2026

**To:** Trident Motorsport

**Time:** 12.59

The Stewards, having received a report from the Race director, having examined video evidence, summoned and heard the driver Bernoldi Werninghaus Bernardo and team representative, have considered the following matter, determine the following:

**Driver and car No:** Bernoldi Werninghaus Bernardo, 16  
**Competitor:** Trident Motorsport  
**Time (fact):** 9:03  
**Session:** R3  
**Fact:** Collision between cars #16, #51 and #47 in T14  
**Regulation:** Article 11.7.5 of the ISC  
**Decision:** NFA  
**Reason:**

Decision No. 28 was initially published with an error in the reasoning. In particular, it was by mistake released in draft form before the Stewards had heard from the driver of car #47. Following the hearing of that driver, the Stewards reconsidered their initial assessment and concluded that no driver was responsible for the incident. This conclusion was also reached after both involved drivers had been reconvened and shown the respective onboard camera footage. For this reason, the revised reasoning is set out below:

“At T14, cars #16, #51, and #47 were running three abreast on the straight and came into contact with each other. After reviewing the video footage, the Stewards determined that cars #16 and #47, while alongside, converged towards each other and made contact, causing car #47 to collide with car #51. The Stewards did not consider any driver to be predominantly responsible for the incident and therefore took no further action”.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with ACI RSN and ACI Judicial Rules, within the applicable time limits from the publication of this decision on the digital notice board (art. 23 of ACI Judicial Rules). Arts. 216-bis and 228 of ACI RSN shall be deemed to be always implicitly referred to in the decisions of the Stewards.
